perform	11	my kids	13	i use it	6					
couldn't	11	better than	13	it does keep	6					
disappointment	11	the real	13	cold or hot	6					
convenient	11	this thing	13	and my water	6

double	10	maybe i	13	and there is	6					
process	10	will leak	13	i thought the	6					
sucking	10	flask the	13	a knock off	6					
particular	10	the new	13	i don't think	6					
useless	10	no matter	13	get a replacemer	6					
fan	10	know if	13	hydro flask but	6					
everyone	10	a dent	13	it did not	6					
fall	10	klean kanteen	13	it but it	6					
feels	10	the standard	13	it for the	6					
basically	10	i went	12	because i was	6					
happen	10	until i	12	came with the	6					
soon	10	also the	12	it so i	6					
large	10	part of	12	it to be	6					
fast	10	cup holder	12	worked great for	6					
ounce	10	top and	12	sport cap and	6					
expecting	10	loved this	12	difficult to open	6					
figured	10	well and	12	and i was	6					
fully	10	that one	12	hydro flask was	6					
purse	10	hydro flasks!!!!!!	12	of water and	6					
person	10	water from	12	at all i	6					
somewhere	10	cap that	12	it makes a	6					
lifetime	10	these fake	12	and does not	6					
sweat	9	but for	12	now it leaks	6					
picture	9	about it	12	lid is not	6					
difference	9	where it	12	and now it	6					
slight	9	fit the	12	to keep it	6					
pink	9	i know	12	the straw was	6					
certainly	9	and had	12	of the water	6					
switched	9	top of	12	did not work	6					
mail	9	and has	12	i went to	6					
manufacturer	9	time it	12	and when i	6					
doing	9	hours but	12	the extra money	6					
free	9	unscrew the	12	time i drink	6					
hiking	9	not only	12	hot or cold	6					
cost	9	buy the	12	hydro flask in	6					
shirt	9	i filled	12	the rubber piece	6					
missing	9	it looks	12	not sure what	6					
fluid	9	find a	12	around the house	6					
larger	9	the side	12	time but the	5					
icy	9	such a	12	and they said	5					
exactly	9	how it	12	started to leak	5					

faulty	9	i should	12	with the top	5					
daily	9	time you	12	i put ice	5					
glass	9	ice was	12	for longer than	5					
front	9	definitely not	12	have to unscrew	5					
dishwasher	9	so disappointed	12	that this is	5					
hopefully	9	disappointed with	12	is great but	5					
seals	9	end up	12	of using it	5					
light	9	hot water	12	on it i	5					
fix	9	price i	12	not sure why	5					
major	9	very long	12	got a defective	5					
sun	9	is just	12	to the lid	5					
considering	9	lid to	12	because it was	5					
stuck	9	really wanted	12	does not screw	5					
mostly	9	about a	12	a dent in	5					
start	9	lid leaks	12	super hard to	5					
packaging	9	from amazon	12	because i really	5					
sipping	9	impossible to	12	when you try	5					
build	9	and there	12	one does not	5					
case	9	the entire	12	more than a	5					
differences	9	my son	12	leaks around the	5					
vent	9	coffee hot	12	if it is	5					
doesnt	9	onto the	12	was a gift	5					
spilled	9	the fact	12	a gift and	5					
degree	9	have it	12	keep drinks cold	5					
specifically	9	others have	12	was a bit	5					
18	9	not be	12	months of use	5					
addition	9	close it	12	a few days	5					
green	9	of money	12	cold for over	5					
upon	9	for something	12	but it doesn't	5					
metallic	9	if this	12	in the sun	5					
kleen	9	it from	12	i purchased the	5					
sometimes	9	my new	12	you try to	5					
lots	9	leaked all	12	i love hydro	5					
carrying	8	that would	12	and it leaks	5					
shut	8	i own	12	have never had	5					
lasted	8	the end	12	within a few	5					
sell	8	end of	12	so i decided	5					
dripping	8	matter how	12	flask i have	5					
therefore	8	recommend this	12	it with a	5					
care	8	was great	12	not keep my	5					
ground	8	cold but	12	keep my drink	5					
$30	8	two weeks	12	straw lid is	5					
become	8	lid the	12	hydro flask lid	5					
finish	8	to try	12	new one i	5					
decent	8	first day	11	after a couple	5					
spot	8	the sport	11	the bottle so	5					
summer	8	day i	11	love the color	5					
style	8	it's just	11	and it still	5					
scratch	8	instead of	11	of hydro flask	5					
narrow	8	the coffee	11	one in the	5					
allow	8	am very	11	hydro flask has	5					
third	8	these bottles	11	am going to	5					
can't	8	however it	11	have a few	5					
putting	8	and got	11	i was excited	5					
fifty	8	the black	11	bought this one	5					
bike	8	but i'm	11	this cap for	5					
ends	8	hot coffee	11	up to the	5					
tall	8	things about	11	and this is	5					
risk	8	have not	11	to get this	5					
lip	8	go with	11	but i was	5					
refund	8	work for	11	to work with	5					
positive	8	coffee mug	11	to have it	5					
eventually	8	wish i	11	but i will	5					
placed	8	bottle so	11	for me and	5					
office	8	me a	11	the same time	5					

clothes	8	thought it	11	the first week	5					
break	8	bought two	11	by the end	5					
highly	8	this and	11	that i had	5					
bigger	8	or so	11	to use the	5					
customer	8	any other	11	as a replacement	5					
costco	8	must be	11	a couple hours	5					
changed	8	feel like	11	to replace it	5					
although	8	and after	11	a different lid	5					
tough	8	you will	11	after only a	5					
lose	8	air and	11	from the lid	5					
attached	8	flask in	11	and i love	5					
bummed	8	but when	11	only a few	5					
dropping	8	product but	11	a high quality	5					
holding	8	size and	11	of the box	5					
$40	8	and even	11	for a week	5					
spending	8	the stainless	11	put the lid	5					
done	8	keep your	11	thought i would	5					
hit	8	does keep	11	with hot water	5					
loop	8	if it's	11	water bottles and	5					
unusable	8	flask was	11	i ended up	5					
designed	8	same problem	11	this purchase i	5					
test	8	to screw	11	my hydroflask bu	5					
check	8	not happy	11	there must be	5					
crazy	8	2 hours	11	didn't want to	5					
realized	8	cold as	11	with the first	5					
leaky	8	as my	11	noticed that the	5					
hrs	8	problem is	11	i would give	5					
china	8	enough to	11	a good seal	5					
tighten	8	on and	11	come with a	5					
$10	8	kept my	11	have to buy	5					
tell	8	my original	11	go back to	5					
please	8	type of	11	for about a	5					
turned	8	way too	11	liquids cold for	5					
interior	8	between the	11	wide mouth lid	5					
blue	8	5 stars	11	with cold water	5					
house	8	compared to	11	it and i	5					
claims	8	flasks!!!!!! do	11	have to keep	5					
position	8	outside of	11	is great and	5					
rather	8	would expect	11	my ice water	5					
pieces	8	bottle it	11	a good product	5					
via	7	to put	11	and it makes	5					
luck	7	it off	11	drinking from it	5					
temp	7	i take	11	from it i	5					
low	7	all i	11	but there is	5					
feet	7	make sure	11	to replace my	5					
spent	7	after only	11	my 32 oz	5					
chip	7	is pretty	11	the ice is	5					
avoid	7	this as	11	to have a	5					
laptop	7	as good	11	to take to	5					
main	7	simple modern	11	very disappointed	5					
stock	7	though i	11	due to the	5					
covered	7	seal and	11	to keep the	5					
tops	7	the wide	10	in order to	5					
likely	7	hydroflask but	10	to do it	5					
built	7	the actual	10	straight from the	5

unscrewing	7	it arrived	10	wide mouth hydro	5					
thread	7	now and	10	of the package	5					
brush	7	knock off	10	i've been using	5					

somehow	7	near the	10	i use this	5					
overpriced	7	is nice	10	but this is	5					
gross	7	at a	10	amount of water	5					
starts	7	has the	10	a bunch of	5					
along	7	easier to	10	with the quality	5					
grip	7	times and	10	this bottle i	5					
fairly	7	give it	10	about a week	5					
function	7	it out	10	trying to drink	5					
short	7	took a	10	don't have to	5					
wasted	7	buy a	10	i loved this	5					
replaced	7	ordered a	10	more air than	5					
model	7	time the	10	you drink from	5					
rusted	7	the best	10	if you drop	5					
previous	7	flask but	10	your hydro flask	5					
insulate	7	it at	10	rust on the	5					
failed	7	never had	10	disappointed in th	5					
ruined	7	to receive	10	for the same	5					
fragile	7	i found	10	on the straw	5					
taking	7	from hydro	10	i've had to	5					
taken	7	second one	10	the top and	5					
pops	7	me and	10	on the cap	5					
outdoors	7	keeps things	10	thought it was	5

badly	7	12 hours	10	lid i have	5

perhaps	7	fact that	10	with the cap	5					
soft	7	open the	10	expensive water	5					
happening	7	design flaw	10	in perfect conditic	5					
paying	7	bottle in	10	i took a	5

		haven't had	7							
		something that	7							
		see the	7							
		straw i	7							
		hot drinks	7							
		past the	7

		disappointed bec	7							
		ones i	7							
		don't buy	7							
		i started	7

		flask has	7							
		sure what	7							
		the house	7							
		hole is	7							
		when my	7							
		bottle does	7							
		defective one	7							
		so this	7							
		leak but	7							
		and leaks	7

		leaks out	7							
		or something	7							
		the cold	7							
		this top	7							
		works as	7							
		couple hours	7							
		nice but	7							
		4 hours	7							
		right away	7							
		only had	7							
		makes me	7							
		think this	7							
		unfortunately it	7							
		to school	7							
		while i	7							
		product or	7							
		fit my	7							
		so many	7							
		in china	7							
		drink it	7							
		don't like	7							
		your money	7

		good product	7							
		for less	7							
		oz bottle	7							
		leak i	7							
		morning and	7							
		flasks and	7							
		noise when	7							
		is fine	7							
		color is	7							
		the description	7							
		it can	7							
		liked the	7							
		small dent	7							
		flask lid	7							
		i need	7							
		a design	7							
		what a	7							
		is an	7							
		one with	7							
		because my	7							
		the temperature	7							
		i live	7							
		live in	7							
		again i	7							
		this does	7							
		my old	7							
		it once	7							
		time this	7							
		this new	7							
		straws i	7							
		not at	7							
		on to	7							
		to come	7							
		of months	7							
		my review	7							
		stayed cold	7							
		reason i	7							
		was just	7							
		you take	7							
		not even	7							
		i figured	7							
		inside and	7							
		not impressed	7							
		my drinks	7							
		and buy	7							
		not so	7							
		really disappointe	7							
		a product	7							
		much i	7							
		water all	7							

		from this	7							
		fill it	7							
		bottle on	7							
		and loved	7							
		do it	7							
		like to	7							
		do a	7							
		just received	7							
		straw to	7							
		for water	7							
		or cold	7							
		i contacted	7							
		have bought	7							
		to remove	7							
		on tight	7							
		half of	7							
		very sad	7							
		is much	7							
		very difficult	7							
		at this	7							
		the old	7							
		didn't work	7							
		both straws	7							
		fan of	7							
		needs to	7							
		is defective	7							
		people who	7							
		water when	7							
		one from	7							
		or the	7							
		the interior	7							
		an extra	7							
		leaks all	7							
		3 hours	7							
		that has	7							
		and makes	7							
		one day	7							
		cold or	7							
		is still	7							
		your water	7							
		the powder	7							
		hot and	7							
		received the	7							
		is completely	7							
		said it	7							
		this purchase	7							
		if you're	7							
		what happened	7							
		but still	7							
		for some	7							
		or hot	7							
		i absolutely	7							
		has one	7							
		this will	7							
		months of	7							
		these lids	7							
		great bottle	7							
		as others	7							
		left it	7							
		hours in	7							
		months i	7							
		design and	7							
		ice melted	7							
		too late	7							
		year old	7							

		one does	7							
		couldn't get	7							
		my 32	7							
		that a	7							
		melted within	7							
		that comes	7							
		the screw	7							
		not screw	7							
		not working	7							
		day one	7							
		is why	7							
		be able	7							
		have no	7							
		i opened	7							
		screw it	7							
		to cut	7							
		off but	7							
		doesn’t work	7							
		couple weeks	6							
		to anyone	6							
		how expensive	6							
		cap on	6							
		pretty disappointe	6							
		i'll be	6							
		it’s a	6							
		and purchased	6							
		replace the	6							
		was leaking	6							
		noticed a	6							
		after using	6							
		straw lids	6							
		don't work	6							
		you would	6							
		you try	6							
		getting a	6							
		work with	6							
		may be	6							
		the base	6							
		said the	6							
		issues with	6							
		leaks around	6							
		the leak	6							
		product was	6							
		up on	6							
		great the	6							
		several of	6							
		if they	6							
		this but	6							
		and only	6							
		melted in	6							
		cold the	6							
		leaks like	6							
		product it	6							
		fit in	6							
		away from	6							
		not good	6							
		will have	6							
		so if	6							
		for myself	6							
		for two	6							
		it's so	6							
		nearly as	6							
		has to	6							
		bought my	6							
		it gets	6							

		came dented	6							
		disappointed the	6							
		ice is	6							
		or a	6							
		be better	6							
		my family	6							
		a slight	6							
		positive reviews	6							
		is super	6							
		works perfectly	6							
		and so	6							
		found the	6							
		could not	6							
		was defective	6							
		lid when	6							
		am going	6							
		to not	6							
		was excited	6							
		to contact	6							
		expensive water	6							
		my laptop	6							
		bag and	6							
		ends up	6							
		size for	6							
		began to	6							
		can get	6							
		of that	6							
		you drop	6							
		part that	6							
		good for	6							
		it leaks!	6							
		the gym	6							
		the coating	6							
		mine is	6							
		nice and	6							
		tilt the	6							
		as if	6							
		as expected	6							
		looks great	6							
		so hard	6							
		just as	6							
		cold like	6							
		read the	6							
		way i	6							
		i still	6							
		great job	6							
		my 40oz	6							
		seal in	6							
		water stays	6							
		lid because	6							
		i always	6							
		6 hours	6							
		clean it	6							
		go back	6							
		thought that	6							
		didn't want	6							
		this because	6							
		give this	6							
		flask to	6							
		use and	6							
		think the	6							
		i hope	6							
		a friend	6							
		know it	6							
		leaks a	6							

		mouthpiece is	6							
		great product	6							
		good quality	6							
		it might	6							
		they really	6							
		a hole	6							
		to love	6							
		too small	6							
		was too	6							
		just doesn't	6							
		when i'm	6							
		i'm a	6							
		when drinking	6							
		a hard	6							
		it like	6							
		bought 2	6							
		replace my	6							
		my favorite	6							
		i prefer	6							
		well for	6							
		to fit	6							
		but now	6							
		think that	6							
		1 2	6							
		still be	6							
		live up	6							
		bottle however	6							
		original one	6							
		am a	6							
		love with	6							
		than 2	6							
		cold it	6							
		for very	6							
		in love	6							
		two days	6							
		your beverage	6							
		is with	6							
		there were	6							
		and he	6							
		gift and	6							
		a knock	6							
		bottles i	6							
		a hot	6							
		was disappointed	6							
		when they	6							
		i'm very	6							
		works better	6							
		and keeps	6							
		can feel	6							
		feel the	6							
		it's like	6							
		and in	6							
		hot car	6							
		better quality	6							
		it very	6							
		they said	6							
		the sun	6							
		excited for	6							
		is in	6							
		bottle of	6							
		one because	6							
		top lid	6							
		since the	6							
		your hydro	6							
		carry it	6							

		rust on	6							
		purpose of	6							
		buy it	6							
		it no	6							
		love hydro	6							
		they do	6							
		a black	6							
		be great	6							
		been a	6							
		not perform	6							
		perform as	6							
		for you	6							
		the most	6							
		issue with	6							
		year and	6							
		same price	6							
		the cover	6							
		item as	6							
		item and	6							
		wash it	6							
		and i'm	6							
		had no	6							
		has not	6							
		i needed	6							
		leaks i	6							
		thought the	6							
		bottle my	6							
		is on	6							
		bottle from	6							
		poor design	6							
		i actually	6							
		reason for	6							
		2 of	6							
		coffee in	6							
		even with	6							
		around and	6							
		full of	6							
		job of	6							
		flask does	6							
		fell out	6							
		this issue	6							
		is going	6							
		the opening	6							
		but that	6							
		my friends	6							
		half the	6							
		doesn’t keep	6							
		water it	6							
		a fake	6							
		of all	6							
		long periods	6							
		sip and	6							
		can keep	6							
		was super	6							
		one it	6							
		was my	6							
		first and	6							
		is all	6							
		went to	6							
		my tea	6							
		the rust	6							
		it every	6							
		my cup	6							
		condensation on	6							
		it open	6							

		bottle keeps	6							
		when it's	6							
		about 2	6							
		sitting in	6							
		tipped over	6							
		will get	6							
		in there	6							
		metallic taste	6							
		your nose	6							
		a half	6							
		in an	6							
		the vent	6							
		them and	6							
		and would	6							
		this has	6							
		in order	6							
		it cold	6							
		for work	6							
		you need	6							
		however after	6							
		my friend	6							
		tight and	6							
		to using	6							
		but to	6							
		of keeping	6							
		the place	6							
		i'm going	6							
		hold ice	6							
		this i	6							
		the metal	6							
		the 40oz	6							
		water through	6							
		work but	6							
		let it	6							
		a high	6							
		came in	6							
		as much	6							
		hydroflask brand	6							
		can be	6							
		time even	6							
		and ordered	6							
		the case	6							
		though it	6							
		that time	6							
		very excited	6							
		not last	6							
		hand washed	6							
		not stay	6							
		is good	6							
		times i	6							
		and its	6							
		sure why	6							
		on amazon	6							
		tried the	6							
		there's a	6							
		it everywhere	5							
		8 hours	5							
		this a	5							
		experience with	5							
		i've tried	5							
		multiple times	5							
		really liked	5							
		works but	5							
		to spend	5							
		these things	5							

		it all	5							
		things hot	5							
		like that	5							
		paid for	5							
		my cold	5							
		bottles are	5							
		keep a	5							
		warranty claim	5							
		the air	5							
		similar to	5							
		hot as	5							
		the reason	5							
		insulation is	5							
		dent on	5							
		chipped off	5							
		also it	5							
		lid my	5							
		the cost	5							
		your drink	5							
		air in	5							
		hour i	5							
		flask will	5							
		got another	5							
		no leaks	5							
		no way	5							
		it got	5							
		it only	5							
		how well	5							
		guess i	5							
		straight from	5							
		for longer	5							
		easily i	5							
		well the	5							
		does the	5							
		else i	5							
		white one	5							
		don't get	5							
		the hype	5							
		the heat	5							
		quality product	5							
		i checked	5							
		my 32oz	5							
		how to	5							
		it wasn't	5							
		it fits	5							
		stuff cold	5							
		is designed	5							
		it dented	5							
		seal is	5							
		it right	5							
		that's why	5							
		though the	5							
		each time	5							
		super hard	5							
		frozen for	5							
		a large	5							
		after 2	5							
		wondering if	5							
		it not	5							
		the inner	5							
		with one	5							
		fake one	5							
		lid also	5							
		have gone	5							
		made a	5							

		in any	5							
		when closed	5							
		it if	5							
		it's the	5							
		which makes	5							
		could have	5							
		i spent	5							
		i've heard	5							
		only reason	5							
		different lid	5							
		icy cold	5							
		ice only	5							
		would think	5							
		having it	5							
		do the	5							
		order to	5							
		mouth hydroflask	5							
		is easy	5							
		down to	5							
		bottle would	5							
		it sit	5							
		thought i	5							
		the suction	5							
		drink with	5							
		flask with	5							
		air than	5							
		hours this	5							
		more air	5							
		days of	5							
		not cold	5							
		the perfect	5							
		definitely does	5							
		backpack and	5							
		a rust	5							
		and straw	5							
		that there	5							
		there must	5							
		color but	5							
		no reason	5							
		it into	5							
		flow of	5							
		more for	5							
		would give	5							
		ordered two	5							
		a 5	5							
		use my	5							
		flask from	5							
		for even	5							
		real hydroflask	5							
		a shame	5							
		good seal	5							
		lid are	5							
		are all	5							
		send it	5							
		let me	5							
		for school	5							
		straws that	5							
		school and	5							
		drink the	5							
		along with	5							
		it down	5							
		not like	5							
		look at	5							
		me on	5							
		in that	5							

		unscrewing the	5							
		arrived dented	5							
		broke when	5							
		to stay	5							
		i saw	5							
		my product	5							
		and hot	5							
		tall ridge	5							
		kleen kanteen	5							
		deal with	5							
		purchased from	5							
		receive a	5							
		is now	5							
		to rust	5							
		is there	5							
		but as	5							
		have tried	5							
		take to	5							
		very expensive	5							
		in between	5							
		this point	5							
		star review	5							
		sure i	5							
		is better	5							
		have any	5							
		to believe	5							
		a regular	5							
		we got	5							
		one so	5							
		great things	5							
		flask water	5							
		work it	5

		when we	5							
		the 40	5							
		liquid savvy	5							
		for years	5							
		insulated water	5							
		didn't keep	5							
		is leaking	5							
		price and	5							
		buying the	5							
		for 1	5							
		on me	5							
		look like	5							
		product that	5							
		i ended	5							
		was looking	5							
		it's definitely	5							
		i work	5							
		liquids cool	5							
		may have	5							
		out it	5							
		mouth hydro	5							
		flask so	5							
		dents on	5							
		used the	5							
		size i	5							
		use for	5							
		washing it	5							
		3 stars	5							
		a full	5							
		and two	5							
		the seat	5							
		seat of	5							

		issue is	5							
		the past	5

		i haven't	6							
		the worst	6							
		the k	6							
		issue i	6							
		makes the	6

		i usually	6							
		this the	6

		keurig and	6							
		black &	6							
		taste of	6							
		2 cups	6							
		it away	6							
		was just	6							
		coffeemaker i	6							
		so you	6							
		to start	6							
		make it	6							
		and coffee	6							
		find a	6							
		cup that	6							
		to stop	6							
		keurig coffee	6							
		received this	6

		works fine	6							
		the day	6

		coffee filter	6							
		back on	6							
		is on	6							
		single side	6							
		don't have	6							
		the hot	6							
		coffee coffee	6							
		i chose	6							
		this particular	6							
		issue with	6							
		older model	6							
		button and	6							
		cheap and	6							
		two years	6							
		brews a	6							
		side is	6							
		put in	6							

		heat the	6							
		it had	6							
		4 months	6							
		am going	6

		and there	6							
		requires a	6							
		had no	6							
		coffee basket	6							
		go to	6							
		this as	6							
		using a	6							
		replacement for	6							
		it that	6							
		works but	6							
		the size	6							
		is it	6							
		until it	6							
		never had	6							
		don't think	6							
		so this	6							
		the back	6							
		bad i	6							
		to like	6							
		30 days	6							
		noisy and	6							
		coffee does	6							
		you will	6							
		the sides	6							
		the frother	6							
		extremely disapp	6							
		different brand	6							
		but you	6							
		delay brew	6							
		of months	6							
		would give	6							
		if there	6							
		3 years	6							
		last one	6							
		thought i	6							
		and this	6							
		told me	6							
		over my	6							
		few days	6							
		doesn't seem	6							
		tired of	6							
		was great	6							
		this i	6							
		giving it	5							
		i've ever	5							
		paper filters	5							
		the paper	5							
		to call	5

		it not	5							
		try a	5

		my morning	5							
		morning coffee	5							
		a way	5							
		new pot	5							
		weak coffee	5

		i liked	5							
		that much	5							
		about 5	5							
		had an	5							
		the kitchen	5

		it every	5							
		well and	5							
		4 cup	5							
		for you	5							
		weeks i	5							
		has worked	5							
		until the	5							
		holds the	5

		2 weeks	5							
		replaced it	5							
		coffee hot	5							
		i replaced	5

		1 cup	5							
		brewed coffee	5							
		where it	5							
		took it	5							
		close to	5							
		it got	5

		coffee will	5

		pods in	5							
		it very	5

		this a	5							
		this because	5

		money and	5							
		1 hour	5

		my opinion	5							
		sliding lid	5							
		it into	5							
		if they	5

		i threw	7							
		walked away	7

		started eating	7							
		black lab	7							
		lab and	7							
		diarrhea for	7							
		and eat	7							
		this particular	7							
		very disappointe	7

		has no	7							
		this as	7

		looked like	7

		it into	7							
		this has	7							
		dog did	7							
		the amazon	7							
		weeks i	7							
		cat food	7							
		better i	7							
		first i	7							
		dogs like	7							
		the salmon	7							
		and dog	7							
		i should	7							
		dogs the	6							
		bit of	6							
		have bought	6							
		except for	6							
		i need	6							
		eating the	6							
		this the	6							
		dog does	6							
		and no	6							
		not eating	6							
		make the	6							
		small breed	6							
		lamb and	6							
		stopped using	6							
		stop feeding	6							
		up on	6							
		not happy	6							
		started feeding	6							
		feed it	6							
		and everything	6							
		the soft	6							
		bag in	6							
		years old	6							
		cleared up	6							
		much as	6							
		was an	6							
		it now	6							
		refusing to	6							
		instead of	6							
		was good	6							
		it comes	6							
		on time	6							
		that had	6							
		her stomach	6							

		foods and	6							
		would help	6							
		the purina	6							
		and some	6							
		it dogs	6							
		years of	6							
		is just	6							
		the package	6							
		i now	6							
		it could	6							
		what we	6							
		type of	6							
		now she	6							
		go through	6							
		like she	6							
		or not	6							
		only thing	6							
		on her	6							
		so they	6							
		dog who	6							
		was having	6							
		for about	6							
		or something	6							
		recommend this	6							
		is why	6							
		price and	6							
		when the	6							
		why i	6							
		ran out	6							
		eat all	6							
		wish i	6							
		or what	6							
		all dogs	6							
		out what	6							
		animal shelter	6							
		and buy	6							
		2 weeks	6							
		3 days	6							
		buying it	6							
		am a	6							
		but a	6							
		have gone	6							
		very small	6							
		even after	6							
		up i	6							
		all i	6							
		and would	6							
		same thing	6							
		is no	6							
		breed dogs	6							
		of eating	6							
		we will	6							
		so it	6							
		it or	6							
		a sensitive	6							
		giving her	6							
		it's just	6							
		if it's	6							
		he gets	6							
		he went	6							
		now have	6							
		the point	6							
		my experience	6							
		but for	6							
		high quality	6							

		problem i	6							
		this flavor	6							
		along with	6							
		little more	6							
		fed him	6							
		time my	6							
		i believe	6							
		to other	6							
		think the	6							
		way too	6							
		this made	6							
		refuses to	6							
		it if	6							
		didn't seem	6							
		either way	6							
		i first	6							
		the extra	6							
		and taste	6							
		food even	6							
		since we	6							
		to normal	6							
		hills science	6							
		mix and	6							
		started throwing	6							
		3 months	6							
		what to	6							
		them but	6							
		terrible gas	6							
		reason for	6							
		of days	6							
		the issue	6							
		made all	6							
		make a	6							
		later i	6							
		month and	6							
		one that	6							
		vet told	6							
		had just	6							
		to put	6							
		them this	6							
		we've been	6							
		gave them	6							
		stuff and	6							
		and just	6							
		order it	6							
		switched from	6							
		well as	6							
		4 days	6							
		maybe it	6							
		eat them	6							
		product from	6							
		a mess	6							
		mixed with	6							
		two of	6							
		looks like	6							
		the shelter	6							
		a time	6							
		of weeks	6							
		very good	6							
		some dogs	6							
		never buy	6							
		threw it	6							
		made our	6							
		last month	6							
		they seem	6							

		bag it	6							
		5 stars	6							
		but will	6							
		tractor supply	6							
		food or	6							
		3 dogs	6							
		that you	6							
		old dog	6							
		me and	6							
		customer service	6							
		next time	6							
		they changed	6							
		again the	6							
		i always	6							
		brand my	6							
		was delivered	6							
		loved the	6							
		next day	6							
		give this	6							
		food out	6							
		great but	6							
		research and	6							
		ordered a	6							
		she never	6							
		and read	6							
		and while	6							
		better food	6							
		german shepherd	6							
		small dogs	6							
		suppose to	6							
		better for	6							
		after the	6							
		worth it	6							
		know that	6							
		dog really	6							
		other foods	6							
		the difference	6							
		and her	6							
		if she	6							
		he got	6							
		pieces of	6							
		didn't think	6							
		received from	6							
		to something	6							
		having diarrhea	6							
		dogs it	6							
		price but	6							
		is allergic	6							
		let me	6							
		to just	6							
		a large	6							
		switching back	6							
		never seen	6							
		so my	6							
		have not	6							
		because it's	6							
		liked the	6							
		and his	6							
		made a	6							
		it he	6							
		get the	6							
		i figured	6							
		great for	6							
		something wrong	6							
		purchased a	6							

		didn't want	6							
		twice as	6							
		and its	6							
		what they	6							
		was really	6							
		since he	6							
		excited to	6							
		where i	6							
		get this	6							
		was going	6							
		the problem	6							
		healthy food	6							
		recent bag	6							
		and don't	6							
		give it	6							
		little dog	6							
		don't really	6							
		throw away	6							
		other brands	6							
		right now	6							
		and bought	6							
		with other	6							
		mix it	6							
		the dried	6							
		it much	5							
		now it	5							
		their dogs	5							
		food until	5							
		them the	5							
		dog just	5							
		i give	5							
		i've never	5							
		very loose	5							
		after this	5							
		but now	5							
		getting sick	5							
		think it's	5							
		lethargic and	5							
		been having	5							
		couple weeks	5							
		we took	5							
		she does	5							
		bag to	5							
		it that	5							
		a review	5							
		be going	5							
		dog wouldn't	5							
		have switched	5							
		months ago	5							
		much for	5							
		i've ever	5

		keep it	5

		i've bought	5							
		an issue	5

		1 4	5							
		i wouldn't	5

		her old	5							
		neither of	5
