within	12	waste of	12	was a good	5	but my son was	3			

bathtub	12	through the	12	10 months old	5	i don't know if	3			
sat	12	seat for	12	my son was	5	the umbrella doe	3			
reason	12	not stay	12	stay in place	5	it was a bit	3			
feet	12	for travel	12	and the fabric	5	on the bottom so	3			
fits	12	however the	12	to have to	5	this chair is adora	3			
child's	12	to set	12	up to the	5					
sink	12	the second	12	buy it again	5					
age	12	this booster	12	need to be	5					
else	11	the tub	12	i ended up	5					
immediately	11	put the	12	my little one	5					
cut	11	back in	11	the tray doesn't	5					
tip	11	it also	11	there was no	5					
upright	11	making it	11	baby who is	5					
thin	11	too big	11	and one of	5					
husband	11	up very	11	month old grands	5					
photo	11	how to	11	i thought this	5					
portability	11	lot of	11	to use when	5					
review	11	looking for	11	it had a	5					
tent	11	a pain	11	that comes with	5					
absolutely	11	is easy	11	to remove the	5					
least	11	it again	11	i'm going to	5					
inside	11	tray and	11	that you can	5					
tear	11	the reviews	11	worth the money	5					
forward	11	flimsy and	11	but my son	5					
years	11	a small	11	one of these	5					
hole	11	this as	11	back in the	5					
regular	11	very well	11	looking for a	5					
family	11	and this	11	was looking for	5					
folding	11	but for	11	folds up and	5					
snap	11	the picture	11	i like that	5					
annoying	11	sitting in	11	the chair to	5					
play	11	is just	11	out how to	5					
stuck	11	the corners	11	the fact that	5					
awesome	11	should be	11	very easy to	5					
setting	11	more than	11	use the tray	5					
next	11	his legs	11	this for our	5					
doesn’t	11	down the	11	be a good	5					
butt	11	the way	11	it was so	5					
seats	11	your baby	11	other than that	5					
basically	11	to eat	11	only used it	5					
deal	11	all over	11	year old and	5					
pounds	11	to hold	11	as others have	5					
folded	11	than the	11	this chair but	5					
fell	11	2 year	11	it should be	5					
putting	11	my grandson	11	easy to set	5					
slip	10	of money	11	and i love	5					
extra	10	had it	11	but it's not	5					
push	10	between the	11	can take it	5					
gift	10	it at	11	in my opinion	5					
tearing	10	for her	11	not the same	5					
rather	10	a booster	11	had it for	5					
waist	10	part of	11	it for the	5					
hate	10	disappointed in	11	i was excited	5					
twins	10	to remove	11	is cheap and	5					
i'll	10	seems to	10	on the beach	5					
products	10	little one	10	the seat with	5					
easier	10	have the	10	great but the	5					
inches	10	set up	10	the idea is	5					
large	10	the material	10	made out of	5					
opening	10	is nice	10	chair is very	5					
cloth	10	it should	10	be a great	5					
dirty	10	not be	10	i received this	5					
done	10	the safety	10	to keep the	5					
job	10	a big	10	it's hard to	5					
active	10	took it	10	get on and	5					

point	10	be great	10	on the front	5					
half	10	all of	10	i had a	5					
20	10	seems like	10	ends up in	5					
yet	10	for me	10	daughter loves it	5					
		little chair	10	the seat i	5					
		a child	10	this high chair	5					
		getting the	10	my daughter love	5					
		extremely disapp	10	to use and	5					
		the stitching	10	to clean and	5					
		the go	10	this as a	5					
		get a	10	chair it was	5					
		disappointed with	10	really wanted to	5					
		the water	10	this little chair	5					
		for us	10	disappointed with	5					
		my 8	10	is way too	5

		it had	10	chair but the	5					
		daughter is	10	between the legs	5					
		returning it	10	in the front	5					
		not work	10	quite a bit	5					
		way too	10	the whole thing	5					
		definitely not	10	cup holder is	5					
		also the	10	and off the	5					
		is in	10	a way to	5					
		my husband	10	because it is	5					
		with us	10	of the tray	5					
		the best	10	waste your mone	5					
		our baby	10	to fold back	5					
		not the	10	if i could	5					
		fall out	10	the strap is	5					
		the buckles	10	is great and	5					
		after using	10	difficult to fold	5					
		when my	10	the front of	5					
		to see	10	seat is not	5					
		holds the	10	my one year	5					
		very hard	10	for a toddler	5

		top of	10	the chair the	5					
		and easy	10	this booster seat	5					
		at first	10	i really wanted	5					
		i returned	10	at the table	5

		you are	8

		sat in	8							
		it gets	8							
		i read	8

		in theory	8							
		with her	8							
		all i	8							
		when you	8							
		two of	8

		holes are	8							
		it's very	8

		however i	8							
		down in	8							
		the entire	8

		other reviews	7							
		good concept	7							
		put her	7							
		very easily	7							
		away from	7							
		the baby's	7							
		doesn't have	7							
		the canvas	7							
		concept is	7							
		off i	7							
		time and	7							
		son was	7							
		loved this	7							
		for traveling	7							
		i also	7							
		under the	7							
		of times	7							
		great concept	7							
		for babies	7							
		don't think	7							
		now i	7							
		side of	7							
		quite a	7

		his lap	7							
		as we	7

		food on	7

		bought two	7							
		seat was	7							
		to lock	7							
		my granddaughte	7							
		my 4	7

		the money	7							
		so i'm	7							
		thought i	7							
		too short	7							
		when they	7							
		hold the	7

		so she	7							
		a second	7

		the fact	7

		this i	7							
		for camping	7							
		my opinion	7							
		excited to	7							
		the seams	7							
		chair has	7							
		falling apart	7							
		we did	7							
		and there	7							
		chair we	7							
		and get	7							
		put in	7							
		to do	7							
		time getting	7							
		without the	7							
		to fit	7							
		get in	7							
		it worked	7							
		other than	7							
		that you	7							
		than that	7							
		quality is	7							
		come off	7							
		it seems	7							
		it looks	7							
		to carry	7

fabric	10	months and	12	the bed itself	6	had it less than	3	
packaging	10	have only	12	every night for	6	an issue with the	3

		we needed	12	customer service	6	and now there is	3	
		even though	12	had to be	6	now there is a	3	
		me i	12	in the same	6	year and a half	3	
		year old	12	it so i	5	when i used it	3	
		air is	12	first time it	5	a few days to	3	
		when the	12	to make it	5	air mattress we h	3	
		to visit	12	for me to	5	night i used it	3	
		of money	12	after only a	5	of the night and	3	
		a real	12	slept on this	5	had a small hole	3	
		a half	12	than a month	5	return it for a	3	
		we tried	12	i could return	5	i had to buy	3	
		every time	12	i ordered a	5	center of the bed	3	
		unfortunately i	12	like a full	5	get out of bed	3	
		felt like	12	last longer than	5	to refill it with	3	
		needed to	12	can't find the	5	refill it with air	3	
		the past	12	and by morning	5	to use it and	3	
		wish i	12	waking up in	5	we used this mat	3	
		down the	12	more and more	5	only used it for	3	
		before i	12	what a waste	5	this air mattress f	3	
		have no	12	in the past	5	i missed the retur	3	
		the rest	12	back to the	5	will not hold air	3	
		began to	11	up and let	5	a few days later	3	
		went flat	11	flat the first	5	a hole to patch	3	
		very uncomfortat	11	inflate the mattre	5	it and by morning	3	
		and you	11	a leak in	5	had a problem wi	3	
		used to	11	and it deflated	5	only to wake up	3	
		one person	11	came with a	5	the air is leaking	3	
		days and	11	to return this	5	the bed was grea	3	

		3 days	11	so i returned	5	the mattress was	3	
		days i	11	missed the return	5	to return it i	3	
		blew it	11	was comfortable	5	an air mattress it	3	
		again and	11	comfortable and	5	held air the first	3	
		got it	11	a total of	5	it worked great fo	3	
		air beds	11	we did not	5	after a couple da	3	
		all over	11	night i used	5	to wake up with	3	
		where it	11	in it and	5	and it would not	3	
		for this	11	problem is that	5	unable to find the	3	
		was going	11	it didn't leak	5	a few months of	3	
		an hour	11	i really wanted	5	of sleeping on it	3	
		one is	11	was great for	5	i'm not sure if	3	
		30 day	11	off the mattress	5	good use out of	3	
		mattress in	11	on the bottom	5	not sure if it	3	
		because we	11	and had to	5	it deflated in the	3	
		inflated and	11	stand behind thei	5	deflated in the mi	3	
		while i	11	this is my	5	mattress was ver	3	
		a bad	11	to put air	5	it and i was	3	
		laying on	11	night we used	5	able to return it	3	
		up sleeping	11	i bought a	5	i had to get	3	
		lasted a	11	it lost air	5	i do not recomme	3	
		so you	11	it would have	5	pulled it out to	3	
		good for	11	because it was	5	air i thought it	3	
		however the	11	it was the	5	missed the return	3	
		air the	11	we inflated it	5	a slow leak and	3	
		we purchased	11	size air mattress	5	a few hours and	3	
		after only	11	the mattress has	5	for my mom whe	3	
		mattress we	11	it deflated in	5	i replaced it with	3	
		feel like	11	that this is	5	is attached to the	3	
		camping and	11	this was a	5	to sleep on for	3	
		product and	11	a matter of	5	after the first nigh	3	
		each time	11	was very disappo	5	the first night of	3	
		late to	11	so i decided	5	the air mattress a	3	
		i want	11	is a joke	5	for a few nights	3	
		one has	11	air mattress with	5	of the air mattres	3	
		air after	11	the bed had	5	during the night v	3	
		the warranty	11	it back to	5	and easy to set	3	
		every day	11	the queen size	5	the mattress with	3	
		the queen	11	of sleeping on	5	sleeping directly	3	
		mattress had	11	is easy to	5	will need to be	3	
		the center	11	i bought the	5	it comes with is	3	
		one we	11	i was happy	5	but the mattress	3	
		add air	11	a night or	5	had a leak the	3	
		a day	11	sleep on a	5	for a long time	3	
		was used	11	a memory foam	5	that comes with i	3	
		other than	11	worked great for	5	went flat the first	3	
		each night	11	had to use	5	flat the first time	3	
		it inflated	11	bed is very	5	and i had to	3	
		it loses	11	for a month	5	a few days and	3	
		and deflate	11	and loved it	5	on the ground an	3	
		the best	11	less than 6	5	to refill with air	3	
		great and	11	the material is	5	after only a few	3	
		to come	11	we have had	5	i used it the	3	
		when my	11	disappointed in th	5	it but i would	3	
		i put	11	this to be	5	get a good one	3	
		one side	11	very disappointed	5	got a hole in	3	
		blown up	11	sleeping on a	5	the soundasleep	3	

		new one	11	other than that	5			
		it now	11	it the first	5			
		rest of	11	at first i	5			
		patch kit	11	had high hopes	5			
		it comes	11	mattress i had	5			
		morning i	11	a bed that	5			
		bed to	11	was great and	5			
		and let	11	did not last	5			
		air so	11	have given it	5			
		to it	11	in a few	5			
		money i	11	it's an air	5			
		it this	11	i guess i	5			
		might be	11	up the mattress	5			
		the 2nd	11	it back i	5			
		may be	11	of these mattress	5			
		to fill	11	and they were	5			
		buy another	11	it started losing	5			
		return the	11	would wake up	5			
		into a	11	used it maybe	5			
		using this	11	mattress i have	5			
		disappointed in	11	fill it up	5			
		set it	11	it is the	5			
		only had	11	disappointed with	5			
		3 times	11	read the reviews	5			
		the thing	11	air mattress we	5			
		this company	11	very disappointed	5			
		gave it	10	the mattress for	5			
		was leaking	10	for a while	5			
		instead of	10	was on the	5			
		been a	10	out to use	5			
		small hole	10	on the first	5			
		inflating it	10	night it was	5			
		i followed	10	and in the	5			
		fix it	10	i want to	5			
		two months	10	it worked fine	5			
		fully inflated	10	back up and	5			
		around the	10	i ordered this	5			
		for 2	10	air bed i	5			
		a regular	10	used it it	5			
		night for	10	had the same	5			
		but that	10	i should have	5			
		before it	10	disappointed in th	5			
		it also	10	to keep the	5			
		all i	10	the bed with	5			
		it very	10	in a room	5			
		mattress at	10	of the seams	5			
		5 stars	10	would have given	5			
		it once	10	the size of	5			
		reviews and	10	otherwise i would	5			
		a while	10	return the produc	5			
		for 3	10	does not stay	5			
		up i	10	that it will	5			
		well but	10	i love the	5			
		is good	10	used this bed	5			
		i read	10	air all night	5			
		in our	10	the last time	5			
		a guest	10	happy with this	5			

		amount of	10	love the height	5			
		air but	10	air after a	5			
		while it	10	air mattress had	5			
		right away	10	the air is	5			
		three times	10	morning it was	5			
		pump was	10	used it a	5			
		in pump	10	hold the air	5			
		seem to	10	used this for	5			
		few weeks	10	use the bed	5			
		makes it	10	but it doesn't	5			
		unfortunately it	10	i thought that	5			
		we did	10	one night and	5			
		king koil	10	it leaks air	5			
		reviews i	10	if i could	5			
		two weeks	10	to say i	5			
		bed in	10	got a leak	5			
		for more	10	we bought it	5			
		worked well	10	side of the	5			
		get up	10	all the air	5			
		it until	10	seemed to be	5			
		day i	10	it up for	5			
		not be	10	to get it	5			
		but this	10	worth the money	5			
		the edge	10	up with a	5			
		end up	10	as it was	5			
		days of	10	it when i	5			
		you will	10	a camping trip	5			
		put a	10	of the material	5			
		well for	10	first night of	5			
		a waste	10	night the mattres	5			
		it seemed	10	had it for	5			
		first it	10	that came with	5			
		it at	10	because i was	5			
		as an	10	after just a	5			
		an extra	10	went to use	5			
		bought a	10	the same issue	5			
		tried it	10	the price i	5			
		over night	10	it felt like	5			
		and when	10	close to the	5			
		second night	10	and the same	5			
		use and	10	it every night	5			
		this brand	10	i tried to	5			
		bed it	10	it came with	5			
		return date	10	i purchased it	5			
		not for	10	the very first	5			
		is too	10	as it is	5			
		over and	10	with the product	5			
		now and	10	while it lasted	5			
		if you're	10	and will not	5			
		it takes	10	a few weeks	5			
		until i	10	would give it	5			
		more comfortable	10	i had bought	5			
		to patch	10	this bed was	5			
		air to	10	but if you	5			
		hole and	10	on a trip	5			
		me to	10	to use for	5			
		deflated in	10	the patch kit	5			

		again the	10	an extra bed	5			
		holding air	10	and now i	5			
		the bottom	10	it in a	5			
		seemed to	10	i would give	5			
		the fact	10	i needed a	5			
		air for	10	sent me a	5			
		fact that	10	a second one	5			
		to give	10	higher than the	5			
		purchased it	9	it's a good	5			
		return this	9	first one i	5			
		first use	9	with it is	5			
		you can't	9	bought another o	5

		every single	9	and it would	5			
		week and	9	wake up in	5			
		5 minutes	9	end up on	5			
		air every	9	is good but	5			
		bed with	9	it held air	5			
		this would	9	air the first	5			
		stuck with	9	to be refilled	5			
		well and	9	it again and	5			
		after that	9	i have only	5			
		get it	9	sit on the	5			
		a trip	9	few hours and	5			
		you use	9	bought this to	5			
		before the	9	a few nights	5			
		it held	9	the ground and	5			
		won't hold	9	the frame is	5			
		this a	9	use the mattress	5			
		a better	9	so far i	5			
		size and	9					
		air we	9

		few uses	8					
		go to	8					
		what a	8					
		of course	8					
		husband and	8

		for several	8					
		then it	8					
		quality of	8					
		product was	8					
		night after	8					
		was able	8					
		it we	8					
		came to	8					
		lay on	8					
		5 times	8					
		close to	8					
		the surface	8					
		the side	8					
		of bed	8					
		and comfortable	8					
		completely flat	8					
		flat the	8					
		such a	8

		memory foam	8					
		the case	8					
		3 nights	8					
		we thought	8					
		my mom	8					
		leaking i	8
