middle	11	i noticed	13	with the quality	6	are not polarized	3	
basically	11	however i	13	they came with	6	i love the way	3	
sunny	11	then the	13	of the box	6	cheap and flimsy	3	
average	11	see through	13	out the sun	6	i bought two pairs	3

daily	11	thought they	13	look great and	6	i thought i was	3	
behind	10	so much	12	what i was	6	it gives me a	3	
purpose	10	paid for	12	exactly what i	6	in on the sides	3	
mind	10	well and	12	broke within a	6	the case and clea	3	
under	10	crooked and	12	on one side	6	for the price not	3

somewhat	10	less than	12	cheaply made an	6	and the lenses ar	3	
coming	10	also they	12	as they are	6	but other than tha	3	
service	10	bought them	12	are very light	6	other than that th	3

next	10	on one	12	are supposed to	6	a pair of sunglass	3	
poorly	10	cheap they	12	i ordered these	6	don't expect then	3	
perfectly	10	a different	12	these glasses loo	6	them to make the	3	
damaged	10	fit and	12	you look through	6	arrived with a scr	3	
honestly	10	thin and	12	as mirrored as	6	scratches on the	3	
suggest	10	very poor	12	as if they	6	the lens would be	3	
difference	10	use them	12	they were very	6	by far the worst	3	
uneven	10	not bad	12	when you look	6	in a plastic bag	3	
annoying	10	out i	12	dollar store glass	6	and when i put	3	
oversized	10	could have	12	nose piece broke	6	not very good qu	3	
them!	10	off the	12	for the money	6	i was so excited	3	
photo	10	are good	12	they came bent	6	when i got these	3	
strong	10	use the	12	based on the	6	sat on them and	3

fix	10	they have	12	at all i	6	fit on my face	3	
carrying	10	need to	12	nothing like the	6	too good to be	3	
excited	10	don't even	12	the dollar store	6	good to be true	3	
defective	10	the worst	12	see my eyes	6	i have to return	3

		soon as	11	able to return	5			
		should have	11	be able to	5			
		the new	11	a couple weeks	5			
		customer service	11	not work well	5			
		or not	11	collar seems to	5			
		just a	11	to my dog	5			
		thought this	11	and it didn't	5			
		bought a	11	used this collar	5			
		collar with	11	to work and	5			
		the remote	11	that it was	5			
		well for	11	one of these	5			
		only worked	11	to change the	5			
		it seemed	11	this product work	5			
		not have	11	a way to	5			
		the neighbors	11	your dog is	5			
		but after	11	for your dog	5			
		for dogs	11	my dog shook	5			
		i really	11	when he shakes	5			
		then she	11	was way too	5			
		barking the	11	but my dog	5			
		first day	11	did not like	5			
		started barking	11	turn it on	5			
		it still	11	this product to	5			
		have the	11	is no way	5			
		dog that	11	i had the	5			
		after that	11	of his neck	5			
		to adjust	11	the product work	5			
		her neck	11	seem to be	5			
		first few	11	when he was	5			
		these collars	11	this collar and	5			
		another dog	11	2 of these	5			
		that if	11	this collar to	5			
		give it	11	i bought the	5			
		it says	11	it seems like	5			
		a refund	11	this worked great	5			
		a waste	11	that this collar	5			
		i gave	11	it off of	5			
		separation anxiet	11	put the collar	5			
		me to	11	figured out that	5

		the sensor	10	the other dogs	5			
		it as	10	it on her	5			
		wearing the	10	it did nothing	5			
		no reason	10	and every time	5			
		and bark	10	the house and	5			
		has been	10	way to adjust	5			
		but my	10	shook his head	5			
		i tested	10	going off when	5			
		barked it	10	we had to	5			
		my dog's	10	return it to	5			
		for barking	10	with this collar	5			
		going off	10	for a while	5			
		off i	10	months ago and	5			
		it started	10	his head and	5			
		work as	10	i took it	5			
		the company	10	when she barks	5

purchasing	22	dryer in	25	and the high	11	it doesn't get very	5	
slow	22	the reviews	25	blow dryer but	11	the main reason	5	
wife	22	heat and	25	if you don't	11	after a few month	5	
there's	22	have long	25	hot enough and	11	the placement of	5	
older	22	the time	24	have thick hair	11	this is a good	5

smoke	21	was great	24	dryer works fine	11	the price i paid	5	
extra	21	other than	24	to dry and	11	for the price this	5	
30	20	it seems	24	purchased this ha	11	the on and off	5	
melted	20	got a	24	hair dryer was	11	it takes twice as	5	
point	20	way too	24	it falls off	11	for a few months	5	
hairdryers	20	dry hair	24	dryer works well	11	stay on at all	5

ended	19	of air	23	i have been	10	i bought this beca	5	
holding	19	not hot	23	my hair on	10	when drying my h	5

ends	19	hair in	23	hair and this	10	my previous hair	5	
products	19	the hairdryer	23	but it doesn't	10	it a few times	5	
anymore	19	the best	23	have had this	10	get the job done	5

		don't think	13	last hair dryer	7	my hair so i	3	
		my first	13	using this dryer	7	attachment keep	3	
		5 years	13	air is not	7	worked well for th	3	
		the hottest	13	months and then	7	to dry the hair	3	
		all over	13	what i paid	7	this was a great	3	
		hair dry	13	but if you	7	i had this hair	3	
		instead of	13	dryer to be	7	with a hair dryer	3	
		is only	13	happy with the	7	get what you paic	3	
		a while	13	i've been using	7	what you paid for	3

		it no	13	makes my hair	6	i bought it for	3	
		i get	13	for the money	6	dryer for several	3	
		air and	13	blow dryer was	6	i have long thick	3	
		blow as	13	at first but	6	the air coming ou	3

		it should	13	first time using	6	as good as my	3	
		a half	13	hair dryer did	6	i have to hold	3	
		went out	13	sending it back	6	with a different br	3	
		not what	12	liked this hair	6	long thick hair an	3	
		off a	12	hair dryer it's	6	hair dryer that wa	3	
		work at	12	been using this	6	for it to dry	3	
		of times	12	a little less	6	what you pay for!	3	
		after two	12	after 4 months	6	i am returning thi	3	
		dryer my	12	the highest heat	6	this dryer for a	3	
		noise and	12	i have no	6	just as long to	3	
		to say	12	the reviews and	6	this dryer becaus	3	
		too powerful	12	just a little	6	on high i have	3	
		dryer on	12	the high heat	6	that the cool shot	3	
		good dryer	12	had an issue	6	great while it wor	3	
		dryer had	12	hair dryer not	6	i'm going back to	3	
		i want	12	was going to	6	i wish i would	3	
		spend a	12	but i wouldn't	6	wish i would have	3	
		though i	12	the same price	6	i gave it to	3	
		and high	12	it made a	6	am going to have	3

		dryer with	12	i do like	6	hair dryer it is	3	
		get it	12	that i have	6	dry my hair this	3	
		so that	12	even though i	6	lot of it this	3	
		doesn't dry	12	it so i	6	my hair this is	3	
		so disappointed	12	the placement of	6	hair this is a	3	
		handle is	12	one of these	6	what a waste of	3	
		disappointed i	12	though it is	6	this dryer works	3	
		a product	12	as far as	6	why i bought it	3	
		strong as	12	replace my old	6	comes out of the	3	
		should be	12	is no cool	6	of the dryer i	3	
		more power	12	a different dryer	6	time to dry hair	3	
		sure it	12	a year i	6	stopped working	3	
		however i	12	using it i	6	the fact that it	3	
		blow dryers	12	my thick hair	6	the heat setting is	3	
		3 times	12	completely stopp	6	as hard as i	3	
		short cord	12	one was a	6	if you have a	3	
		maybe i	12	the box was	6	you have a lot	3	
		is way	12	dryer to replace	6	stopped working	3	
		buying a	12	long thick hair	6	i wouldn't recomr	3

		the smell	12	had the same	6	working for no re	3	
		the color	12	it to be	6	does not put out	3	
		be the	12	nice but it	6	is supposed to be	3	
		end of	12	it died after	6	damage to my ha	3	
		very long	12	have only used	6	weeks of use the	3	
		quality of	12	i have only	6	i would like i	3	
		hair frizzy	12	go back to	6	disappointed with	3	
		the top	12	when drying my	6	hot as my last	3	
		make it	12	conair hair dryers	6	hair do not buy	3	
		very weak	12	not sure why	6	and it didn't work	3	
		was hoping	12	i could get	6	blow dryer i've ha	3	
		and buy	12	hair this is	6	of times and now	3	
		work well	12	too short and	6	hot as i would	3	
		to pay	12	attachment falls o	6	hair dryer for abo	3	
		not come	12	dryer that i	6	job of drying hair	3	
		diffuser attachme	12	it will take	6	so i returned it	3	
		turn off	12	piece of junk	6	will go back to	3	
		and low	12	not nearly as	6	hair dryer works f	3	
		nice but	12	i took it	6	working i bought	3	
		or the	12	doesn't get very	6	for the price you	3	
		frizzy and	12	it back to	6	you pay for with	3	
		- it	12	dryer but the	6	pay for with this	3	
		dryer which	12	not happy with	6	i bought this after	3	
		hottest setting	12	bought this as	6	this is the best	3	
		why i	12	i was blow	6	after 4 months of	3	
		very thick	12	hot and the	6	it looked like it	3	
		and on	12	year of use	6	looked like it had	3	
		don't have	12	don't buy this	6	like it had been	3	
		can be	12	does its job	6	to the hair dryer	3	
		doesn't get	12	not purchase this	6	this hair dryer did	3	
		and hot	12	have short hair	6	hair dryer did not	3	
		very short	12	less than 3	6	in the first place	3	
		is nice	12	hot enough for	6	taking longer to d	3	
		a nice	12	months and now	6	a better hair drye	3	
		in and	12	i don't even	6	does the job for	3	
		the floor	12	months and the	6	to see if i	3	
		as hard	12	it worked well	6	it's not worth the	3	
		conair 1875	12	was blow drying	6	at first but after	3	
		dryer so	12	only use it	6	i would have liked	3	
		not to	12	dryer is not	6	used in the past	3	
		i find	12	i can say	6	dryer is a little	3	
		hair out	12	it seems like	6	dry my hair out	3	
		high and	12	it on high	6	than a year old	3	
		as good	12	that this is	6	is the first time	3	
		price but	12	is very heavy	6	my hair i have	3	
		dries hair	12	dryer for less	6	it takes much lon	3	
		cheaply made	12	this dryer to	6	takes much longe	3	
		very light	11	takes twice as	6	longer blows hot	3	
		to stop	11	this one was	6	so i like the	3	
		dryers i	11	not powerful enou	6	of the blow dryer	3	
		could not	11	does a great	6	at all i was	3	
		not really	11	the middle of	6	it started smoking	3	
		but will	11	was a gift	6	it was supposed t	3	
		hair fast	11	reason i bought	6	than that it is	3	
		my long	11	and the diffuser	6	not recommend b	3	
		is still	11	is very short	6	the cord is short	3	

		and i'm	11	and it works	6	all over the place	3	
		my money	11	have to cut	6	to throw it away	3	
		10 years	11	takes a while	6	the high setting a	3	
		a low	11	other hair dryer	6	used it for less	3	
		first one	11	a while to	6	as long as my	3	
		turned on	11	after only a	6	and caught on fir	3	
		thought this	11	then it started	6	because of the re	3	
		is on	11	based on the	6	recommend this l	3	
		replace it	11	buy it again	6	less than 2 montl	3	
		and stopped	11	my hair faster	6	but this one is	3	
		so it's	11	it is lightweight	6	very disappointec	3	
		and did	11	there is nothing	6	went out on me	3	
		issues with	11	for a year	6	after 2 months of	3	
		i first	11	it out of	6	my shoulder leng	3	
		return window	11	the attachments a	6	this blow dryer it	3	
		other day	11	on at all	6	shot out of the	3	
		each time	11	my hair so	6	months of light us	3	
		was looking	11	buy a different	6	i don't use it	3	
		too strong	11	return it i	6	the hair dryer itse	3	
		no heat	11	is ok but	6	is the main reasc	3	
		of time	11	setting is more	6	use it every day	3	
		one month	11	my fine hair	6	a new one but	3	
		had been	11	worked great at	6	reason i bought t	3	
		reset button	11	using it for	6	hair dryer for less	3	
		the reset	11	a year or	6	old blow dryer i	3	
		style my	11	came with a	6	any other hair dry	3	
		of drying	11	short and the	6	a lot of time	3	
		plug it	11	but this dryer	6	i had to stop	3	
		also very	11	never had an	6	i used it once	3	
		loved it	11	it on the	6	blowing hot air af	3	
		or so	11	than a month	6	should have retu	3	
		it dried	11	my hair into	6	a great blow drye	3	
		product for	11	the dryer for	6	i bought this proc	3	
		no power	11	it feels like	6	i have ever used	3	
		invest in	11	even on high	6	have very fine ha	3	
		very hard	11	a month ago	6	get very hot whic	3	
		to spend	11	to get the	6	dryer and it is	3	
		when drying	11	dry the hair	6	that it was a	3	
		for over	11	while it worked	6	i've had this for	3

		wouldn't recomm	11	difficult to move	6	have had this hai	3	
		inside the	11	started smoking a	6	for a year and	3	
		think i	11	and buy a	6	the dryer is great	3	
		has been	11	and the cord	6	and then it died	3	
		- i	11	it looks like	6	this dryer for less	3	
		motor is	11	thick curly hair	6	a little less than	3	
		enough for	11	twice a week	6	to purchase a ne	3	
		works ok	11	this dryer becaus	6	a new one this	3	
		sent it	11	a big deal	6	back to using my	3

		button is	11	air flow is	6	out of my head	3	
		great reviews	11	i started using	6	it after a few	3	
		liked the	11	it works as	6	get very hot ever	3	
		had an	11	used it once	6	very hot even on	3	
		the point	11	it's not as	6	the electricity in r	3	
		few minutes	11	now the dryer	6	the highest settin	3	
		i cannot	11	for a little	6	my fine hair i	3	

		much more	11	well for the	6	my hair frizzy and	3	
		years i	11	the cold button	6	came with a diffu	3

		i dry	11	ok but i	6	has a 2 year	3	
		what it	11	i was not	6	a 2 year warranty	3	
		bought a	11	i am very	6	compared to my	3	
		not powerful	11	setting is too	6	to my old conair	3	
		since it	11	not seem to	6	hair i bought this	3	
		switches are	11	this one and	6	not sure what hap	3	
		it again	11	seem to have	6	my 10 year old	3

		this on	11	ok for the	6	more than a year	3	
		is much	11	it on it	6	give it a try	3	
		new dryer	11	problem is that	6	like the way it	3	
		hair for	11	smells like it's	6	my hair and it	3	
		does dry	11	but i think	6	my hair poor qua	3	
		hair it's	11	but it gets	6	not stay on at	3	
		sucked into	11	this dryer it	6	doesn't get super	3	
		and doesn't	11	supposed to be	6	had the product f	3	
		it might	11	to be the	6	worked great for	3	
		it blew	11	the job i	6	great for the first	3	
		hair on	11	buttons on the	6	have short thin h	3

		a conair	10	is the worst	6	as long as it	3	

		as others	10	the past and	6	a month ago and	3	
		and hard	10	it is only	6	based on the rev	3	
		using a	10	this hairdryer it	6	this was the best	3	
		very strong	10	a couple months	6	hair dryer i had	3	
		well and	10	for me it	6	this dryer to repla	3	
		where the	10	the reset button	6	my old one it	3	
		heats up	10	is great but	6	as the old one	3	
		i kept	10	the product for	6	when i turn it	3	
		come with	10	drying your hair	6	have curly hair so	3	
		the fact	10	it started making	6	this as a christma	3	
		when using	10	my hair that	6	hair so i need	3	
		to cut	10	this dryer the	6	thick hair this dry	3	
		after less	10	but i am	6	forever to dry it	3	
		know if	10	make my hair	6	this hair dryer wh	3	
		love it	10	falls off at	6	when i first got	3	
		2 years	10	of the wall	6	i first got it	3	
		me but	10	my previous drye	6	because my hair	3	
		is it	10	part of the	6	hot enough and t	3	
		plugged it	10	not be buying	6	returning this hai	3	
		only lasted	10	for me but	6	i bought this as	3	
		before the	10	for a different	6	i've had this hair	3	
		dryer lasted	10	hair got sucked	6	hair dryer but the	3	
		only had	10	use the high	5	and now it only	3	
		would recommen	10	my hair got	5	now it only blows	3	
		give this	10	it still works	5	about a month ag	3	
		and only	10	dryers i've owned	5	a few months afte	3	
		then i	10	so i had	5	drying my hair be	3	
		ever owned	10	price i paid	5	have to use the	3	
		times it	10	it i don't	5	a different hair dr	3	
		seems like	10	it made my	5	with the slightest	3	
		and used	10	would be great	5	wasn't as hot as	3	
		that i'm	10	gave it a	5	as hot as the	3	
		few weeks	10	hard to style	5	enough for my ha	3	
		power cord	10	i've ever owned	5	dryer because it l	3	
		off after	10	would like to	5	buy it again i	3	
		while in	10	bought this becau	5	not get as hot	3	
		more and	10	a dryer that	5	hot as my old	3	
		hair a	10	to use as	5	dryer but for the	3	
		want a	10	as it was	5	does not blow as	3	
		air i	10	couple of times	5	than that it works	3	
		me and	10	not turn on	5	that i have used	3	
		this because	10	so i was	5	i purchased this p	3

		for two	10	after 2 months	5	hair fast but it	3	
		too loud	10	so hot it	5	months and now	3	
		years of	10	because my old	5	it has a short	3	
		power is	10	hair dryer worked	5	than my previous	3	
		cool setting	10	it is fine	5	of hard plastic me	3	
		medium setting	10	i liked the	5	is too short for	3	
		me the	10	turned it off	5	dries my hair wel	3	
		in less	10	so i thought	5	too short for me	3	
		is lightweight	10	and i thought	5	bad for the price	3	
		a short	10	at first it	5	than the one i	3	
		no way	10	when it arrived	5	the price was righ	3	
		year of	10	i received a	5	afraid to use it	3	
		the whole	10	it is light	5	the dryer is not	3	
		because it's	10	element went out	5	loved this blow dr	3	

		not like	10	this product to	5	i use it it	3	
		weight and	10	will dry your	5	i do like the	3	
		good i	10	hair that is	5	caught in the fan	3	
		hair not	10	from hot to	5	with this dryer i	3	
		but then	10	it it will	5	for my fine hair	3	
		months now	10	use it it	5	hot so it takes	3	
		now and	10	it smells like	5	this blow dryer ur	3	
		it once	10	it looked like	5	my hair i do	3	
		until the	10	this product at	5	be buying a diffe	3	
		good as	10	is too low	5	a different brand	3	
		is now	10	i wouldn't buy	5	dry my hair which	3	
		poor quality	10	works ok but	5	for years and yea	3	
		hot to	10	my hair because	5	dryer i had for	3	
		is good	10	is going to	5	gets so hot it	3	
		powerful but	10	seem to get	5	and the blow dry	3	
		starting to	10	does not heat	5	got a lemon but	3	
		didn't even	10	the price it's	5	it will dry your	3	
		same wattage	10	very powerful and	5	which is nice but	3	
		infiniti pro	10	caught in the	5	is nice but it	3	
		end up	10	dryer did not	5	it worked for abou	3	
		about 3	10	a fan of	5	this is not a	3	
		it barely	10	stay on it	5	used it a few	3	
		the most	10	i could not	5	not buy again i	3	
		when the	10	come with a	5	this to replace a	3	
		second time	10	does not come	5	not very powerful	3	
		off switch	10	high setting i	5	not happy with th	3	
		to this	10	use a hair	5	is way too short	3	
		nearly as	10	bought it because	5	for a few minutes	3

				it it doesn't	5	i had to replace	3	
				it doesn't straight	5	had to replace it	3	
				at the roots	5	like my old one	3	
				with long thick	5	i have used a	3	
				the bristles in	5	conair hot air styl	3	
				to a friend	5	to get a new	3	
				to give this	5	hair i tried it	3	
				to get your	5	i have had the	3	
				i am a	5	just not what i	3

				this item for	5	it would have tak	3	
				is not as	5	and the whole thi	3	
				i guess you	5	that locks the bru	3	
				it was so	5	puts out very little	3	
				drying and styling	5	out very little air	3	
				wouldn't buy it	5	piece of junk i	3	
				very hot and	5	all the positive re	3	
				there was no	5	is hard to find	3	
				going to be	5	with this at all	3	
				on the handle	5	enough hot air to	3

				it was the	5			
				to replace the	5			
				this tool is	5

				what i had	5			
				this product at	5			
				the product for	5			
				well on my	5			
				to get some	5

				flat iron it	5			
				and now it	5			
				it does give	5			
				now it is	5			
				it i had	5			
				than a normal	5			
				use it in	5			
				gets the job	5			
				my regular flat	5			
				especially if you	5			
				stars because the	5			
				i think that	5			
				bristles seem to	5			
				turn on i	5			
				this styling brush	5			
				such high hopes	5			
				it's going to	5			
				after 6 months	5			
				when it is	5

				would recommen	5			
				you have fine	5			
				it doesn't blow	5

				and this does	5			
				so it was	5			
				it does get	5

				but did not	5			
				this is my	5

		have an	12	as heavy duty	6	of the curtain are	3	
		plastic i	12	the shower head	6	money and get a	3	
		i gave	12	in the trash	6	enough to keep t	3	
		since it	12	it is still	6	a hot shower and	3	
		so light	12	to purchase a	6	but does the job	3	
		bottom i	12	would not purcha	6	do nothing to hol	3	
		was so	12	for over a	6	in one of the	3	
		over it	12	the weight of	6	don't recommend	3	
		time to	12	i guess you	6	every time i take	3	
		and had	12	thin and lightweig	6	time i take a	3	
		was too	12	using it as	6	just a few months	3	
		been using	12	when i took	6	be mildew resista	3	
		and does	12	these would be	6	the magnets do r	3	
		this as	12	the curtain liner	6	my previous show	3	
		starting to	12	as a drop	6	looking for a repl	3	
		wish it	12	to stick to	6	sticks to your boc	3	
		it after	12	the water in	6	i was very disapp	3	
		though i	12	had this for	6	about 6 months b	3	
		months i	12	after a month	6	about a year now	3	
		is more	12	the old one	6	a month or so	3	
		think it	12	a pack of	6	keeping the wate	3	
		as long	12	throw it away	6	this shower curta	3	
		weight and	12	way too thin	6	you while you are	3	
		but for	12	first time i	6	this is the most	3	
		but still	12	the curtain up	6	complete waste o	3	
		to say	12	use as a	6	is way too short	3	
		a dollar	12	within a month	6	curtain in place i	3	
		liners i	12	to the shower	6	of the curtain in	3	
		use the	12	shower and the	6	a pack of 2	3	
		blows in	12	very thin plastic	6	i only received 1	3	
		my fault	12	the curtain it	6	not sure how long	3	
		a white	12	thinner than expe	6	so thin that the	3	
		saran wrap	12	all of the	6	your money on th	3	
		to push	12	very flimsy and	6	but i only receive	3	
		the metal	12	there are two	6	was looking for a	3	
		curtain rod	12	i'm going to	6	for the hooks are	3	
		shower is	12	a year and	6	the hooks are no	3	
		the past	12	few weeks and	6	how long it will	3	
		smell and	12	it blows in	6	one of the curtain	3	
		months ago	12	send it back	6	long it will last	3	

		but was	12	the cheap ones	6	of this shower cu	3	
		not so	12	the price but	6	i will be returning	3	
		2 pack	12	so you have	6	for a little over	3	
		only had	12	a heavier gauge	6	not worth the pric	3	
		no weights	12	has magnets at	6	heavy enough to	3	
		like i	12	from the dollar	6	thin and flimsy bu	3	
		while i	12	a fabric liner	6	i am returning thi	3	
		very thick	12	it's supposed to	6	hold the curtain c	3	
		sure if	12	it gets the	6	i had it for	3	
		not for	12	and did not	6	your money and	3	
		now and	12	i would like	6	shower curtain lir	3	
		a while	12	i don't like	6	thin and feels like	3	
		see the	12	to adhere to	6	at the bottom do	3	
		about this	12	the curtain from	6	curtain liner i hav	3	
		are just	12	buy another one	6	every time i show	3	
		as much	12	mildew and mold	6	with this shower	3	
		just not	12	paper thin and	6	was not what i	3	
		the time	12	total waste of	6	curtain liner is no	3	
		is an	12	bought two of	6	is not as thick	3	
		hooks are	12	on top of	6	a little more mon	3	
		opened the	12	to take a	6	3 magnets at the	3	
		threw it	12	the liner was	6	about as thin as	3	
		tub so	12	hooks are not	6	to open and close	3	
		to cut	12	stick to my	6	if you're going to	3	
		not purchase	12	nice and clear	6	curtain but it is	3	
		this to	12	the bottom hem	6	on my shower cu	3	
		quality and	12	get the job	6	i was expecting s	3	
		advertised as	12	your money and	6	bottom to hold it	3	
		more and	12	so light weight	6	the way through	3	
		have magnets	12	curtain did not	6	that are suppose	3	
		weighted hem	12	cloth shower curt	6	it is hard to	3	
		don't recommenc	12	sticks to your	6	i took a shower	3	
		go away	12	i was very	6	to hold it to	3	
		3 magnets	12	little more and	6	hold it to the	3	
		bottom is	11	not happy with	6	of the tub i	3	
		the sides	11	some kind of	6	shower curtain is	3	
		are useless	11	more and get	6	for over a year	3	
		and cheap	11	money on this	6	need to be replac	3	
		or mildew	11	you can see	6	i've had this shov	3	
		i washed	11	is not mold	6	for a few weeks	3	
		and clear	11	is mildew resistar	6	and there are no	3	
		than this	11	resistant shower	6	stay in place whil	3	
		it billows	11	of the bottom	6	stars because it i	3	
		thin but	11	a little over	6	what i expected i	3	
		you can't	11	get rid of	6	supposed to be a	3	
		water repellent	11	a shower i	6	into the shower w	3	
		this again	11	i have never	6	when water is on	3	
		not strong	11	and it already	6	while i'm in the	3	
		in fact	11	would have been	6	it blows into the	3	
		first time	11	a weighted hem	6	after a couple of	3	
		and no	11	on my shower	6	but the one i	3	
		magnets and	11	i didn't realize	6	up in the shower	3	
		for that	11	the water is	6	stay on the hooks	3	
		so much	11	i can wash	6	magnets along th	3	
		got a	11	putting it up	6	more than a mon	3	
		onto the	11	is thin and	6	product for the pr	3	
		mildew after	11	need to be	6	it does it's job	3	

		the hole	11	had to replace	6	it is that it	3	
		feel like	11	soon as i	6	it is so light	3	
		could have	11	for the shower	6	is so light weight	3	
		and light	11	last more than	6	it is way too	3	
		than any	11	it is heavy	6	light weight that i	3	
		or so	11	liner it is	6	two of these curta	3	
		thickness of	11	bottom so it	6	it was covered in	3	
		as thin	11	close the curtain	6	i do like the	3	
		for our	11	the liner to	6	the shower and s	3	
		something else	11	would have liked	6	shower and stick	3	
		itself is	11	long enough to	6	the water is turne	3	
		is good	11	heavy duty and	6	looking for a heav	3	
		i hung	11	strong plastic sm	6	for a heavy weigh	3	
		made in	11	over the place	6	turned out to be	3	
		this a	11	the curtain billows	6	magnets on the e	3	
		i've bought	11	it it is	6	when you are tak	3	
		flimsy i	11	a very strong	6	magnets to keep	3	
		with no	11	you in the	6	the job done for	3	
		months it	11	smell to it	5	this is not the	3	
		package i	11	holes to hang	5	i would say this	3	
		fell out	11	shower the magn	5	a little over a	3	
		took it	11	to go to	5	to weigh it down	3	
		how long	11	was just a	5	go out and buy	3	
		nothing to	11	i had before	5	out and buy a	3	
		easy to	11	is made of	5	but if you're looki	3	
		it got	11	go to the	5	would not purcha	3	
		it's so	11	from the bottom	5	needs to be repla	3	
		last a	11	i think they	5	it is a good	3	
		with bleach	11	it from the	5	and the holes are	3	
		your shower	11	the bottom that	5	holes for the show	3	
		i paid	11	what i had	5	on the floor and	3	
		come with	11	i opened it	5	you pay for it	3	
		in that	11	for this product	5	in the description	3	
		i went	11	in a pack	5	the curtain to the	3	
		stay down	11	but if you	5	in the shower but	3	
		try to	11	for a new	5	after about a mor	3	
		and very	11	exactly what i	5	bought this becau	3	
		them i	11	magnets are use	5	i thought this was	3	
		a strong	11	of the grommets	5	it is not 72"	3	
		liners are	11	to make sure	5	is not water resis	3	
		one star	11	in the first	5	i do not know	3	
		received one	11	so i have	5	had it for about	3	
		as my	11	the first few	5	the shower curtai	3	
		right through	11	it this is	5	i don't see it	3	
		to take	11	and has a	5	have had this for	3	
		cling to	11	i was disappointe	5	it after 3 months	3	
		all i	11	it with bleach	5	didn't last very lo	3	
		these liners	11	is better than	5	for the first few	3	
		curtain does	11	go back to	5	looking for a new	3	
		long i	11	it was way	5	this shower curta	3	
		as they	11	i'm still using	5	of the package i	3	
		i usually	11	it sticks to	5	what appears to b	3	
		arrived with	11	had to buy	5	on the shower cu	3	
		said it	11	all the time	5	that it was a	3	
		price is	11	after about a	5	weights to keep i	3	
		come out	11	the bottom is	5	is so heavy and	3	
		i threw	11	but does the	5	which is why i	3	

		money on	11	are not very	5	keep it from blow	3	
		liner does	11	i decided to	5	the curtain to kee	3	
		a huge	11	there is mildew	5	a lot of mildew	3	
		you don't	11	the package the	5	reason i bought t	3	
		i liked	11	i expected i	5	going to buy a	3	
		liner to	11	2 months and	5	it was made in	3	
		very strong	11	about 2 months	5	but it has been	3	
		i returned	11	a shower and	5	didn't even last a	3	
		is still	11	to you i	5	little more and ge	3	
		even with	11	i wanted a	5	would not buy it	3	
		a weighted	11	a heavier one	5	which is nice but	3	
		the length	11	after a week	5	to the shower wa	3	
		not weighted	11	i will use	5	that i have ever	3	
		can be	10	months and there	5	not buy it again	3	
		what a	10	to order a	5	using it in a	3	
		i love	10	i won't buy	5	this shower curta	3	
		to spend	10	i received was	5	shower curtain i c	3	
		don't see	10	this curtain to	5	use it for a	3	
		the thinnest	10	keeping the wate	5	is that it has	3	
		weight of	10	stuck to the	5	have been using	3	
		and that	10	don't expect it	5	enough to stay in	3	
		water is	10	expect it to	5	got mildew on it	3	
		it so	10	when taking a	5	i was under the	3	
		end up	10	i bought a	5	shower curtain h	3	
		shower head	10	is very nice	5	the only good thi	3	
		good but	10	to put it	5	it has a very	3	
		i really	10	thin it is	5	was under the im	3	
		the inside	10	me while shower	5	came in a pack	3	
		at first	10	will need to	5	the bottom which	3	
		it comes	10	was a little	5	a clear shower cu	3	
		have no	10	through the curta	5	and i don't see	3	
		curtain not	10	a different brand	5	but i expected it	3	
		wouldn't recomm	10	suction cups on	5	i expected it to	3	
		bathroom is	10	it's just a	5	expected it to las	3	
		the best	10	cups on the	5	go away after a	3	
		3 stars	10	curtain liner but	5	is not as heavy	3	
		get mildew	10	rest of the	5	that it has a	3	
		is thin	10	onto the floor	5	like this shower c	3	
		the trick	10	white shower cur	5	this one will last	3	
		i cannot	10	as a replacement	5	have weights at t	3	
		plastic liner	10	not have metal	5	i'm still using it	3	
		stuck to	10	to have a	5	out of the tub	3	
		the entire	10	about three mont	5	although the sho	3	
		as you	10	buy a heavier	5	in my guest bath	3	
		thicker than	10	liner so i	5	the plastic is so	3	
		i read	10	claims to be	5	to get it to	3	
		i use	10	we bought this	5	heavy weight sho	3	
		it being	10	do like that	5	no grommets just	3	
		away after	10	bought this for	5	at the bottom i	3	
		if they	10	to get moldy	5	long i had to	3	
		with magnets	10	this one i	5	a dollar store sho	3	
		and water	10	have been using	5	dollar store show	3	
		the magnet	10	been using it	5	it was listed as	3	
		to stick	10	the bottom edge	5	i don't want to	3	
		not enough	10	shower curtains b	5	liner i thought it	3	
		down the	10	i was so	5	this is the second	3	
		that are	10	the middle magn	5	i should have rea	3	

		don't buy	10	wouldn't recomm	5	on the floor to	3	
		the mold	10	curtain is so	5	i have to get	3	
		bought the	10	the liner does	5	as thin as a	3	
		but that	10	the first week	5	shower curtain th	3	
		the wall	10	that it did	5	buying this show	3	
		make sure	10	the curtain blows	5	so thin that i	3	
		for 2	10	stays in place	5	it to last more	3	
		sort of	10	the fabric is	5	the water goes ri	3	
		be the	10	from bed bath	5	thin and flimsy i	3	
		and mold	10	one this is	5	water goes right	3	
		up i	10	is thinner than	5	up on the bottom	3	
		curtain i've	10	trying to get	5	do not waste you	3	
		am going	10	couple of months	5	not waste your m	3	
		item is	10	see if it	5	enough to hold it	3	
		bottom it	10	up with a	5	hold it in place	3	
		edge of	10	keep the curtain	5	hold it down and	3	
		it lasted	10	it is that	5	i did not realize	3	
		pretty thin	10	it all the	5	you have to push	3	
		but now	10	was advertised a	5	there are no weig	3	
		through and	10	do nothing to	5	to be 10 gauge	3	
		thin that	10	so thin and	5	it does have a	3	
		water resistant	10	weight at the	5	on you while you	3	
		that there	10	the bottom corne	5	in the bottom sea	3	
		soon as	10	i didn't have	5	a normal shower	3	
		as soon	10	on the hooks	5	up against you w	3	
		months before	10	a month or	5	few months of us	3	
		is great	10	too light weight	5	i bought this for	3	
		weight it	10	my shower it	5	the magnets are	3	
		same price	10	with the product	5	i could return it	3	
		this i	10	in the picture	5	too long for my	3	
		can see	10	extremely thin an	5	there are no gron	3	
		and i'm	10	worst shower cur	5	no weights on the	3	
		buying a	10	i'm not sure	5	down the shower	3	
		hot shower	10	was too short	5	i threw it in	3	
		to purchase	10	i measured it	5	bottom is covere	3	
		it not	10	liner does not	5	curtain liner is ve	3	
		it it's	10	too thin and	5	i have no idea	3	
		too stiff	10	shower not a	5	it is not clear	3	
		my legs	10	that there are	5	waste of money t	3	
		it only	10	work for me	5	are taking a shov	3	
		water on	10	to find a	5	i have to wash	3	
		few days	10	a heavier weight	5	to keep it clean	3	
		gets the	10	this product the	5	much thinner tha	3	
		to rip	10	hanging it up	5	the shower curtai	3	
		fine for	10	i like that	5	i was hoping it	3	
		curtain so	10	if it had	5	was hoping it wo	3	
		close to	10	the weights at	5	within a few weel	3	
		for just	10	worth the money	5	i am using it	3	
		and its	10	when you showe	5	it not mildew resi	3	
		it this	10	pack of two	5			
		a pack	10	thinner than the	5			
		will probably	10	but it isn't	5			
		has no	10	keep the liner	5			
		the old	10	the shower when	5			
		pack of	10	was not the	5			
		is ok	10	a shower the	5			
		and thin	10	plastic is very	5			

		the very	10	shower and stick	5			
		for two	10	then this is	5			
		based on	10	curtain liner it	5			
		give it	10	you can get	5			
		this purchase	10	the same quality	5			
		a clear	10	don't waste your	5			
		price but	10	cling to you	5			
		putting it	10	if i could	5			
		a standard	10	these are thin	5			
		after one	10	i am sure	5			
		much as	10	weight of the	5			
		will use	10	while i shower	5			
		don't have	10	you while shower	5			
		one for	10	this one does	5			
		was only	10	but i expected	5			
		long enough	10	shower curtain th	5			
		blows into	10	so i can't	5			
		might be	10	a year ago	5			
		until i	10	not the best	5			
		blow in	10	and hard to	5			
		work for	10	this is an	5			
		it already	10	for a week	5			
		away from	10	shower curtain ro	5			
		off and	10	shower it is	5			
		one but	10	really thin and	5			
		curtain rings	10	and i was	5			
		such a	10	at all and	5			
		something that	10	as if it	5			
		strong plastic	10	that this curtain	5			
				what it's suppose	5			
				not water resistar	5

		issues with	12	in my case	5			
		few minutes	12	is supposed to	5			
		don't waste	12	this device does	5			
		kind of	12	but it works	5			
		so it	12	a couple of	5			
		a while	12	a second tv	5			
		have had	12	but for some	5			
		a 4k	12	switch would not	5			
		to run	12	to connect the	5

		supposed to	12	the fire stick	5			
		i switch	11	that i had	5			
		output and	11	the only thing	5			
		one to	11	this splitter for	5			
		switch i	11	from my ps4	5			
		computer and	11	i was looking	5			
		order to	11	not recommend i	5			
		has to	11	apple tv and	5			
		the 4k	11	not recognize the	5			
		to 2	11	this splitter is	5			
		2 months	11	based on the	5			
		this works	11	worked great at	5			
		but now	11	the hdmi cords	5			
		player and	11	that it does	5			
		split a	11	when i connected	5			
		until i	11	into the switch	5			
		with one	11	but as soon	5			
		one monitor	11	works fine on	5			
		with all	11	none of the	5			
		that you	11	my tv only	5			
		however it	11	after only a	5			
		one x	11	this was a	5			

		hdmi output	11	work on my	5			
		thing is	11	it to do	5			
		powered on	11	i have tried	5			
		they both	11	have one hdmi	5			
		come on	11	it in and	5			
		of time	11	the unit itself	5			
		is too	11	bought this item	5			
		worked perfectly	11	it with a	5			
		sometimes it	11	an hdmi splitter	5			
		both screens	11	matter what i	5			
		problem is	11	have to keep	5			
		i should	11	after a week	5			
		great but	11	the picture would	5			
		power cord	11	with only one	5			
		my review	11	and my xbox	5			
		it so	11	the nintendo swit	5			
		on two	11	could not get	5			
		it wouldn't	11	little over a	5			
		this with	11	i switch to	5			
		come with	11	seem to work	5			
		soon as	11	and it did	5			
		could not	11	would like to	5			
		to keep	11	the device is	5			
		when plugged	11	is why i	5			
		fine i	11	the tv i	5			
		monitor to	11	which is why	5			
		if this	11	a few minutes	5			
		split my	11	great at first	5			
		i know	11	back to the	5			
		this does	11	item did not	5			
		a power	11	plugged it into	5			
		two screens	11	i had it	5			
		i couldn't	11	it to the	5			
		product descripti	11	different hdmi co	5			
		problem i	11	the return windov	5			
		screen i	11	out for a	5			
		just stopped	11	stopped working	5			
		so far	11	up to my	5			
		be returning	11	my nintendo swit	5			
		some reason	11	this item to	5			
		worked it	11	i get a	5			
		both devices	11	too late to	5			
		not even	11	is not working	5			
		device and	11	use it for	5			
		this adapter	11	the job done	5			
		will only	11	that i have	5			
		a ps4	11	it waste of	5			
		was very	11	the splitter was	5			
		it still	11	don’t waste your	5			
		pass through	11	don't buy this	5			
		was trying	11	a bad one	5			
		get up	11	works but the	5			
		screen and	11	in to the	5			
		so that	11	does what it	5			
		i tested	10	to do with	5			
		good product	10	so i had	5			
		i didn't	10	right out of	5			

		the computer	10	signal to the	5			
		or so	10	a signal from	5			
		but for	10	the only problem	5			
		splitter works	10	and it would	5			
		with two	10	have to have	5			
		should be	10	is no signal	5			
		a single	10	through the hdmi	5			
		give this	10	it into the	5			
		after about	10	to switch to	5			
		the source	10	the product works	5			
		cables to	10	it just stopped	5			
		hdmi to	10	it out of	5			
		work if	10	does not switch	5			
		so now	10	not switch autom	5			
		directly into	10	the quality of	5			
		computer monito	10	quality of the	5			
		the image	10	problem i have	5			
		most of	10	tv and it	5			
		see if	10	to watch tv	5			
		it can	10	of the inputs	5			
		to tv	10	not work well	5			
		i unplug	10	button on the	5			
		few times	10	fine but the	5			
		into it	10	you plug in	5			
		a problem	10	soon as i	5			
		fine with	10	and it does	5			
		black screen	10	and get somethin	5			
		customer service	10	to make sure	5			
		problem with	10	able to split	5			
		after only	10	and the splitter	5			
		for what	10	i try to	5			
		i cannot	10	it works as	5			
		tv only	10	to two different	5			
		needed it	10	not work out	5			
		reason i	10	it had a	5			
		cuts out	10	than a year	5			
		stick and	10	is on the	5			
		it should	10	are too close	5			
		must be	10	too close togethe	5			
		two hdmi	10	picture and soun	5			
		very well	10	switch from one	5			
		over a	10	3 months and	5			
		so if	10	bought this for	5			
		due to	10	i just got	5			
		tvs and	10	didn't work i	5			
		then i	10	my main tv	5			
		unfortunately i	10	is not compatible	5			
		pc and	10	only works with	5			
		direct tv	10	i have an	5			
		product was	10	work as advertise	5			
		for that	10	on both screens	5			
		blu ray	10	i could use	5			
		worth the	10	for a week	5			
		hdmi cord	10	the splitter for	5			
		one port	10	item does not	5			
		on arrival	10	plugged in and	5			
		send it	10	split the video	5			

		well i	10	but it doesn't	5			
		signal i	10	when i use	5			
		and will	10	a cable box	5			
		does what	10	the purpose of	5			
		money i	10	not very good	5			
		i noticed	10	to no avail	5			
		i even	10	in the product	5			
		few days	10	have to be	5			
		working it	10	power supply and	5			
		after i	10	come with a	5			
		something that	10	not work properly	5			
		few weeks	10	worked for 3	5			
		after 3	10	this piece of	5			
		xbox and	10	to plug it	5			
		for 2	10	this unit is	5			
		know if	10	in the hdmi	5			
		through this	10	the problem i	5			
		have two	10	an xbox 360	5			
		connect to	10	plugged directly i	5			
		the purpose	10	if i could	5			
		the reason	10	the only way	5			
		the main	10	i tried this	5			
		got it	10	the blu ray	5			
		but after	10	is not the	5			
		screen would	10	there was no	5			
		i unplugged	10	and plug it	5			
		as soon	10	i unplug the	5			
		and get	10	get up to	5			
		the quality	10	not seem to	5			
		the last	10	seems to have	5			
		is only	10	connected to the	5			
		was working	10	it started to	5			
		go black	10	this product work	5			
		one or	10	the hdmi ports	5			
		there was	10	does not fit	5			
		not fit	10	to hook it	5			
		my money	10	hook it up	5			
		usb power	10	it up and	5			
				have to get	5

		with all	13	having to unplug	6	the tv and the	3	
		than the	13	months of use	6	i ended up buyin	3	
		to send	13	switch did not	6	if i have to	3	
		buy a	13	it would not	6	an amazon fire s	3	
		will work	13	problem with the	6	the cable box an	3	
		make it	13	even though the	6	in order for it	3	
		decided to	13	and it would	6	order for it to	3	
		you can't	13	have to keep	6	worked good for	3	

		doesn't seem	13	looking for a	6	for my setup i	3	
		my ps3	13	for a new	6	work for my setu	3	
		devices that	13	a week then	6	after less than a	3	
		a tv	13	and could not	6	this did not work	3	
		as you	13	with the product	6	seemed to work f	3	
		worth the	13	and it will	6	few minutes the s	3	
		stick and	13	tv with only	6	but the remote co	3	
		poor quality	13	between the two	6	did not work this	3	
		very well	13	then it stopped	6	get this to work	3	
		input on	13	one of these	6	order to get it	3	
		when connected	13	so i had	6	the select button	3	
		wii u	13	now it is	6	select button on t	3	
		a power	13	to switch it	6	and there was no	3	
		it out	13	this one and	6	i tried to get	3	
		time to	13	make it work	6	a couple of minut	3	
		to see	13	have my xbox	6	i don't know what	3	
		and off	13	the apple tv	6	game or watching	3	
		into a	13	this product for	6	i can get a	3	
		it still	13	to make sure	6	i get is a	3	
		time but	13	no way to	6	out how to get	3	
		only had	13	not work well	6	then it started to	3	
		signal and	13	have to have	6	first i thought it	3	
		with an	13	first one i	6	this hdmi switch i	3	
		based on	13	hdmi cable and	6	work for me the	3	
		it because	13	and it doesn't	6	could not get it	3	
		got the	13	issues with the	6	not get it to	3	
		the most	13	works well but	6	to my tv i	3	
		few times	13	on the product	6	from the cable bo	3	
		this does	13	so i bought	6	all i get is	3	
		of time	12	and still no	6	i have a 4k	3	
		before it	12	i give this	6	i received did not	3	
		but that	12	only reason i	6	and it worked fine	3	
		work out	12	unplug and replu	6	on the tv but	3	
		it had	12	it every time	6	the remote never	3	
		the blue	12	the device to	6	one i received dic	3	
		now it's	12	hdmi switch and	6	straight out of the	3	
		have it	12	the signal from	6	the one i receive	3	
		on its	12	the unit itself	6	and it stopped wo	3	
		i try	12	able to get	6	cable box into the	3	
		the purpose	12	for me to	6	so that i could	3	
		issue is	12	the ir sensor	6	would work with r	3	
		come back	12	it would have	6	less than 3 montl	3	
		device that	12	for about two	6	i ordered a replac	3	
		is to	12	not work out	6	is plugged directl	3	
		get this	12	all of them	6	switch didn't work	3	
		fine the	12	i tried this	6	exactly as it shou	3	
		up i	12	as long as	6	to give it a	3	
		i turned	12	are too close	6	i've had this for	3	
		was going	12	a cable box	6	this for 6 months	3	
		unless i	12	i can get	6	tv with one hdmi	3	
		input to	12	the only way	6	then it stopped w	3	
		fine i	12	ps4 and xbox	6	i bought this item	3	
		switch does	12	the remote was	6	i don't know but	3	
		it could	12	get up and	6	the auto switch fe	3	
		and have	12	switch at all	6	have to be turned	3	
		if this	12	and my xbox	6	was a waste of	3	
		and sometimes	12	we have to	6	in my apple tv	3	

		something that	12	plugged in my	6	months ago and	3	
		had the	12	can't get it	6	return it because	3	
		other hdmi	12	automatically swi	6	so i thought this	3	
		some of	12	soon as i	6	device plugged ir	3	
		went back	12	front of the	6	a signal to the	3	
		to find	12	to a monitor	6	ps4 and nintendo	3	
		and plugged	12	the dvd player	6	i do like the	3	
		one to	12	the fire tv	6	a few months an	3	
		switched to	12	that the remote	6	through any of th	3	
		i give	12	it does the	6	does not work we	3	
		too late	12	when i received	6	product for the pr	3	
		a half	12	there was a	6	any of the inputs	3	
		and one	12	to work the	6	connected to it is	3	
		all my	12	have to turn	6	but i could not	3	
		months then	12	no matter how	6	blu ray player an	3	
		to an	12	the lights on	6	does not work wh	3	
		worked as	12	my fire tv	6	after only a few	3	
		i know	12	the switch itself	6	and was able to	3	
		been a	12	to send it	6	for about 2 month	3	
		switching the	12	have a remote	6	from one to anoth	3	
		i connected	12	the tv but	6	to make it work	3	
		the chromecast	12	in the middle	6	i had high hopes	3	
		new one	12	remote to work	6	had high hopes f	3	
		dead on	12	plugged in the	6	high hopes for th	3	
		each time	12	the select button	6	on the box itself	3	
		was working	12	the product was	6	of the 5 ports	3	
		no issues	12	to buy a	6	been able to get	3	
		tv that	12	from my tv	6	but i have never	3	
		figure out	12	for 6 months	6	switch i bought th	3	
		2 hdmi	12	i ordered a	6	worked for about	3	
		device it	12	i only have	6	doesn't work with	3	
		pass through	12	a year and	6	the first time i	3	
		a better	12	remote doesn't w	6	get it to change	3	
		until i	12	i went to	6	for the price but	3	
		well i	12	when it was	6	inputs on its own	3	
		get up	12	cutting in and	6	ports are too clos	3	
		your tv	12	about a year	6	just stopped work	3	
		with one	12	my computer and	6	is that it doesn't	3	
		have an	12	will have to	6	once in a while	3	
		stop working	12	screen goes blac	6	to switch to the	3	
		computer and	12	hook up my	6	from input to inpu	3	
		great i	12	remote to switch	6	i couldn't get the	3	
		screen and	12	of the other	6	on the tv i	3	
		my chromecast	12	need to be	6	works great but th	3	
		to push	12	has one hdmi	6	for the first few	3	
		a minute	12	remote stopped w	6	the only way i	3	
		even with	12	the unit and	6	was easy to set	3	
		so that	12	it worked perfectl	6	worked fine when	3	
		or two	12	was easy to	6	to switch between	3	
		and ps4	12	an xbox 360	6	bought this to sw	3	
		my apple	12	2 hdmi ports	6	automatically swi	3	
		the job	12	switch between d	6	you want to use	3	
		on arrival	12	with my ps3	6	to turn it on	3	
		only the	12	this to connect	6	turn it on and	3	
		defeats the	12	the same problem	6	didn't work with n	3	
		do with	12	it will switch	6	work with my ps3	3	
		the whole	12	get this to	6	it could be a	3	

		two weeks	12	have to plug	6	and blue ray play	3	
		goes black	12	is a little	6	a couple of montl	3	
		however i	12	to like this	6	cuts in and out	3	
		so this	12	what it is	6	unplug it and plu	3	
		was very	12	light on the	6	worked like a cha	3	
		thing is	12	to be turned	6	when the switch i	3	
		late to	11	the screen i	5	work i have a	3	
		2 stars	11	i unplugged the	5	hdmi ports on my	3

		additional hdmi	11	i ordered this	5	this is a very	3	
		and only	11	work as advertise	5	after a few weeks	3	
		between devices	11	to plug in	5	it will switch to	3	
		the ps3	11	tv i have	5	there is no way	3	
		kinivo 501bn	11	set this up	5	is no way to	3

		several different	11	tv and a	5	that i had to	3	
		some reason	11	but did not	5	the kinivo 501bn	3	
		we have	11	an apple tv	5			
		i noticed	11	set top box	5			
		my playstation	11	not work after	5			
		something else	11	the front of	5

		if there	11	the input and	5			
		good product	11	i find myself	5			
		to two	11	it had a	5			
		for one	11	on the switcher	5			
		picture quality	11	other hdmi switch	5			
		through it	11	work but it	5			
		i cannot	11	did not have	5			
		i even	11	i have it	5			
		product but	11	hdmi ports but	5			
		to no	10	ray player and	5			
		me a	10	due to the	5			
		and forth	10	this product it	5			
		as intended	10	trying to get	5			

		cable tv	10	this with a	5			
		still works	10	can only use	5			
		cables to	10	now i am	5			
		if they	10	few minutes the	5			
		a pain	10	for a little	5			
		box it	10	without the switcl	5			
		to that	10	i think it	5			
		when using	10	but after a	5			
		open the	10	first i thought	5			
		problems with	10	work just fine	5			
		the main	10	for me the	5			
		happy with	10	was looking for	5			
		the wall	10	three stars becau	5			
		month and	10	and it did	5			
		power on	10	first it worked	5			
		only have	10	we had to	5			
		and get	10	the switch would	5			
		come on	10	a bit of	5			
		not to	10	it was my	5			
		no video	10	with a remote	5			
		tv this	10	my money back	5			
		me i	10	the only reason	5			
		bluray player	10	the signal to	5			
		on in	10	product works we	5			
		between hdmi	10	behind the tv	5			
		two devices	10	not work when	5			
		hdmi output	10	port and it	5			
		to split	10	only have one	5			
		devices to	10	had to unplug	5			
		type of	10	not in use	5			
		get to	10	i don't think	5			
		cable is	10	the remote worke	5			
		and there	10	works great i	5			
		the way	10	very disappointed	5			
		tv only	10	of the remote	5			
		not pass	10	the box i	5			
		i decided	10	this to use	5			
		and nintendo	10	tried several diffe	5			
		and all	10	not work and	5			
		up but	10	if i could	5			
		that works	10	on so i	5			
		it also	10	bought it for	5			
		gave it	10	the screen and	5			
		has one	10	the only thing	5			
		like to	10	don't want to	5			
		every few	10	long as you	5			
		plugged directly	10	only thing that	5			
		will have	10	too close togethe	5			
		did work	10	but i can't	5			
		box the	10	fine but i	5			
		switch on	10	use it to	5			
		work after	10	not seem to	5			
		worked perfectly	10	couple of months	5			
		to play	10	worked fine wher	5			
		my projector	10	to hook it	5			
		output and	10	hdmi port i	5			
		broke after	10	to work properly	5			

		issue i	10	pass the signal	5			
		be the	10	exactly what i	5			
		hooked it	10	work i have	5			
		and tv	10	to change to	5			
		its not	10	switch would not	5			
		used the	10	and have to	5			
		unit or	10	switch to a	5			
		have two	10	the power cord	5			
		the company	10	don't waste your	5			
		problem is	10	to this switch	5			
		remote does	10	it and plug	5			
		product did	10	this switch i	5			
		to open	10	and i would	5			
		cause the	10	i turn on	5			
		device does	10	to work at	5			
		work this	10	does not pass	5			
		on both	10	i am returning	5			
		light on	10	the first time	5			
		the thing	10	because of this	5			
		tv screen	10	it into the	5			
		connect the	10	after a week	5			
		automatically swi	10	none of the	5			
		even if	10	i switch to	5			
		the dvd	10	and i was	5			
		days then	10	that it will	5			
		3 stars	10	if you need	5			
		that are	10	works for the	5			
		about 2	10	and you have	5			
		must be	10	i wish i	5			
		line of	10	the power cable	5			
		at this	10	i'm not sure	5			
		a device	10	it with a	5			
		about this	10	being able to	5			
		watching a	10	this device for	5			
		how to	10	the ps4 and	5			
		couldn't get	10	worked good for	5			
		and this	10	return this item	5

		and just	11	one hdmi input	5	to switch to the	3	
		quit working	11	purchased this pr	5	on i have to	3	
		no problems	10	this product so	5	manually switch i	3

otherwise	25	too much	27	thought it was	11	but i have a	5	
opening	24	medium and	27	chew through it	11	lasted less than a	5	
smallest	24	out and	27	with the harness	11	the first one i	5	
kind	24	it over	27	a good fit	11	it has to be	5

star	23	a leash	27	i wish i	11	lasted about a mo	5	
overall	23	of money	27	and i have	11	this harness for a	5	
measurement	23	it it	27	lasted less than	11	i have a 10	5	
dachshund	23	leash and	26	has to be	11	for my 5 month	5	
bulldog	23	close to	26	it is way	11	comfortable for th	5	
worth	23	well and	26	as much as	11	my dog and the	5	
reason	23	was going	26	a few times	11	a dog that pulls	5	
retriever	23	large and	26	i'm not sure	11	a large and it	5	
instructions	22	order a	26	appears to be	11	she slipped out o	5	
outside	22	purchased this	26	a little too	11	out of it on	5	
cats	22	my little	26	around her neck	11	didn't work for my	5	
against	22	the whole	26	would be great	11	big for my puppy	5	
useless	22	send it	26	a good harness	11	right out of the	5	
nicely	22	i didn't	26	not sure if	11	in the process of	5	
terrible	22	a larger	26	like this harness	11	as much as the	5	
slips	22	so we	26	for the dog	11	the large for my	5	
usually	22	using it	25	part of the	11	when i got it	5	
inch	22	slipped out	25	the first one	11	puppy was able t	5	
loosen	22	very well	25	to the size	11	dog chewed right	5	
shepherd	22	looking for	25	a bit too	11	the only problem	5	
shipping	22	get on	25	because it was	11	i bought the xl	5	
twisted	21	the clasp	25	she is a	11	i am stuck with	5	
30	21	is no	25	it so i	11	like this harness	5	
forward	21	not even	25	had to order	11	ordered a mediur	5	
accurate	21	off i	25	it will be	11	get it to fit	5	
making	21	material is	25	harness did not	11	a medium and it	5	
followed	21	to do	25	a different harnes	11	you are looking fo	5	
let	21	to find	25	the one i	11	it didn't fit my	5	
tiny	21	an extra	25	through the neck	11	small was too big	5	
years	21	him to	25	had to send	11	through the neck	5	
kept	21	straps are	25	but i have	11	it on and off	5	
advertised	21	to work	24	get it on	11	is that it is	5	
husky	21	so much	24	way to big	11	go over her head	5	
figure	21	however the	24	difficult to get	11	work for my dog	5	
else	21	the time	24	was looking for	11	to get it on	5	
hoping	21	to my	24	in the car	11	i didn't want to	5	
attached	21	fit her	24	the neck part	11	it is a bit	5	
noticed	21	would fit	24	an extra small	11	puppy chewed th	5	
giving	21	mix and	24	this was a	11	a harness that is	5	
red	21	wearing it	24	medium and it	11	for my other dog	5	
it!	21	one that	24	difficult to put	11	the back of the	5	
i'll	21	not for	24	is not the	11	of it on the	4	
purchasing	21	around his	24	did not like	11	for the price i	4	

soon	20	as well	24	i was looking	11	i have used this	4	
grow	20	it had	24	as tight as	11	of what i paid	4	
stretched	20	give it	24	i was going	11	i bought the large	4	
escape	20	managed to	24	going to be	11	but it was way	4	
happened	20	ordered this	24	like it was	11	the dog in the	4	
cut	20	chewed it	24	a new one	11	it was very difficu	4	
tear	20	where the	24	to figure out	11	now i am stuck	4	
fact	20	and will	24	this harness but	11	the part that goes	4	
safe	20	his neck	24	i don't know	11	with a harness th	4	
decided	20	use the	23	is on the	11	i purchased this h	4	
huge	20	this on	23	to buy a	11	and it was extrem	4	
especially	20	this and	23	a nice harness	11	medium sized do	4	
figured	20	to try	23	it was going	11	in less than 3	4	
training	20	too loose	23	the whole harnes	10	end of the harnes	4	
appears	20	is great	23	the design of	10	is very well made	4	
hole	20	a couple	23	no pull harness	10	very well made a	4	
matter	20	trying to	23	large and it	10	than any other ha	4	
keeps	20	chest and	23	the quality is	10	and i have to	4	
type	20	is so	23	the medium and	10	your dog is a	4	
yorkie	19	though i	23	the harness but	10	it was too large	4	
slide	19	about a	23	i should have	10	i still had to	4	
recommended	19	neck is	23	was still too	10	way to big for	4	
seams	19	enough for	23	my dog had	10	send it back but	4	
wore	19	to have	23	very well made	10	after just a few	4	
boxer	19	be able	23	was way to	10	a no pull harness	4	
sent	19	head and	23	can slip out	10	only had it for	4	
excited	19	fine but	22	a new harness	10	this is a great	4	
today	19	the next	22	mix and it	10	has a lot of	4	
rub	19	off the	22	this product i	10	had it for a	4	
holding	19	we got	22	for a medium	10	only problem i ha	4	
lead	19	the second	22	the sizing was	10	less than 3 montl	4	
exactly	18	wanted to	22	the product is	10	in less than 5	4	
clips	18	extra large	22	bought a medium	10	i have no idea	4	
fell	18	size for	22	size and it	10	my dog is very	4	
snapped	18	medium for	22	this harness i	10	too small so i	4	
move	18	she has	22	the neck and	10	i really like the	4	
belt	18	there was	22	dog chewed it	10	but it was a	4	
measuring	18	leash is	22	i gave it	10	i was very disapp	4	
TRUE	18	i guess	22	off my dog	10	was very disappo	4	
armpits	18	it not	22	on the chest	10	i sent it back	4	
backwards	18	the xxl	22	is a very	10	to open and close	4	
nylon	18	i went	22	i think the	10	was still too smal	4	
there's	17	quality but	22	how to get	10	i can't use it	4	
breeds	17	had the	22	the correct size	10	it was a fluke	4	
poorly	17	harness with	22	i was very	10	is a little big	4	
believe	17	but when	22	a large and	10	dog has slipped o	4	
jack	17	to say	22	on my puppy	10	has slipped out o	4	
products	17	try to	22	so i had	10	stop the dog from	4	
thin	17	also the	22	and well made	10	top of the harnes	4	
can’t	17	had this	21	the harness the	10	to return it the	4	
leave	17	off and	21	one i bought	10	of the harness wa	4	
comfortably	17	an xl	21	the small is	10	and the harness	4	
rubbing	17	is made	21	it for my	10	bought a large fo	4	
hates	17	kind of	21	and ordered a	10	would be too big	4	
russell	17	the dog's	21	ordered the xl	10	a lot of fur	4	
puller	17	started to	21	on the harness	10	3 stars because i	4	
defective	17	another one	21	had this harness	10	the sizing is way	4	

thinking	17	it looked	21	i don't think	10	for about a week	4	
setting	17	the fabric	21	a great product	10	in a matter of	4	
horrible	17	could not	21	to adjust the	10	but i would not	4	
rather	17	it works	21	dog has a	10	the harness is so	4	
cause	16	back to	21	my other dog	10	harness is well m	4	
immediately	16	fits my	21	to buy another	10	to return it and	4	
25	16	quality of	21	but the harness	10	i don't know if	4	
rip	16	dog this	21	it to fit	10	to put this on	4	
cheaply	16	no pull	21	way to small	10	a good fit for	4	
stiff	16	about the	21	two of these	10	my dog i have	4	
saw	16	small is	21	but i am	10	i bought this beca	4	
wide	16	this in	21	grow into it	10	but i have to	4	
likes	16	the picture	21	only had it	10	have had this har	4	
low	16	is good	21	it a few	10	was able to pull	4	
literally	16	however it	21	for a harness	10	and easy to put	4	
slides	16	small was	21	is a nice	10	able to use it	4	
latch	16	is still	21	back to the	10	total waste of mo	4	
slipping	16	her and	21	to the harness	10	my 1 year old	4	
pressure	16	year old	21	ordered the medi	10	but the size chart	4	
described	16	it should	21	i am not	9	for my cat who	4	
case	16	soft and	21	our dog is	9	i will keep it	4	
decent	16	dog to	21	comfortable for h	9	for me and my	4	
running	16	i returned	21	stay in place	9	pull out of it	4	
pieces	16	but he	21	it fit my	9	this did not fit	4	
shoulders	16	to open	20	bought it for	9	for a few months	4	
pitbull	16	think it	20	the only problem	9	is way too small	4

hour	15	big and	20	of the chest	9	may work well fo	4	
s	15	first day	20	did not work	9	for a harness tha	4	
awkward	15	instead of	20	is that it	9	to back out of	4	
past	15	nice and	20	it in less	9	the same size as	4	
near	15	one side	20	my dog on	9	no matter how tig	4

		was just	14	harness it was	7	really disappointe	3	
		fit perfectly	14	i loved this	7	a small for my	3	
		just too	14	if i could	7	this was way to	3	
		i also	14	neck is too	7	ordered an xl for	3	
		this to	14	part that goes	7	mix and it was	3	
		broke and	14	to make the	7	the product itself	3	
		is to	14	buy another one	7	i am able to	3	
		not what	14	my 5 month	7	purchased this ha	3	
		supposed to	14	get it over	7	the small for my	3	
		the pulling	14	i have an	7	too small for him	3	
		decided to	14	too big so	7	i like the product	3	
		has been	14	able to escape	7	try it on him	3	
		heavy duty	14	a puppy and	7	the xl will not	3	
		it wasn't	14	my dog with	7	good quality but t	3	
		used this	13	be a great	7	in less than 2	3	
		xl for	13	order a size	7	little too big for	3	
		so he	13	walk my dog	7	not recommend t	3	
		do like	13	it was on	7	this for my cat	3	
		other harness	13	the d ring	7	waste of money!	3	
		the handle	13	as well as	7	because i have a	3	
		lb dog	13	a week and	7	go over his head	3	
		harness because	13	1 year old	7	to walk my dog	3	
		so now	13	looks like it	7	i'm going to keep	3	
		could have	13	looks like a	7	size of this harne	3	
		very easy	13	when i got	7	and she broke th	3	
		we bought	13	it but i	7	not like this produ	3	

		he can	13	i purchased the	7	to fit our dog	3	
		that my	13	hard to adjust	7	it does not stop	3	
		this but	13	easy to get	7	i bought 2 of	3	
		him the	13	this product and	7	if your dog pulls	3	
		size it	13	the design is	7	bought a large ar	3	
		a way	13	the color is	7	order a small bec	3	
		it may	13	all of the	7	the edges of the	3	
		all over	13	sizing is off	7	to make it tighter	3	
		to it	13	harness that is	7	excited to get this	3	
		pound dog	13	the harness does	7	does not stop the	3	
		had been	13	to get off	7	to buy a new	3	
		by a	13	and the neck	7	to the end of	3	
		is about	13	adjust the neck	7	to keep it on	3	
		or a	13	head through the	7	not work for my	3	
		doesn't work	13	of the neck	7	measured my do	3

		little dog	13	the problem is	7	is not the same	3	
		heavy for	13	in order to	7	not the same as	3	
		off my	13	it would work	7	so we had to	3	
		go over	13	this harness to	7	we had to send	3	
		worked well	13	puppy chewed th	7	got a hold of	3	
		used the	13	it all the	7	i love the way	3	
		to hold	13	for my other	7	i think it is	3	
		end of	13	to be very	6	as opposed to th	3	
		for an	13	the harness looks	6	dog from pulling i	3	
		lab mix	13	the size i	6	based on the sizi	3	
		from this	13	so if you	6	too loose in the	3

		i couldn't	12	a medium sized	6	hit by a car	3	
		i figured	12	the harness so	6	i bought a size	3

		correct size	12	not fit her	6	time we used it	3	
		true to	12	the product was	6	after measuring r	3

		dog's head	11	after a month	6	my dog from pulli	3	
		big on	11	harness on the	6	and my dog had	3	
		but i'm	11	but i will	6	to fit my dog	3	
		walks and	11	figured out how	6	that if the dog	3	
		purchased a	11	on his neck	6	right size for my	3	
		small harness	11	and the medium	6	and my dog got	3	
		different harness	11	am going to	6	for about a month	3

		little too	11	didn't want to	6	it on him the	3	
		well the	11	that goes around	6	on this harness is	3	
		dog's chest	11	a hard time	6	and i was able	3	
		another dog	11	though i measure	6	the harness and	3	
		be better	11	not the best	6	almost as much a	3

		he's a	11	great for a	6	very hard to adju	3	
		high quality	11	my dog well	6	a little bit more	3	
		on your	11	harness is not	6	at the dog park	3	
		it if	11	is a pain	6	wanted this harn	3

		he had	11	that does not	6	the measuremen	3	
		where you	11	it will not	6	out of it it	3	
		i've had	11	harness is so	6	my dog is only	3	
		small so	11	on her and	6	i followed the siz	3	
		medium is	11	harness was a	6	just too big for	3	
		the part	11	does not seem	6	broke after a wee	3	
		he doesn't	11	small dog that	6	to be good qualit	3	
		doesn't pull	11	my dog got	6	i went back to	3

		although the	11	for her i	6	this harness is a	3	
		neck part	11	small was too	6	harness is a grea	3	
		on one	11	got the medium	6	fits well but the	3

		her arms	11	and i am	6	this harness is n	3	
		the latch	11	problem is that	6	it's easy to get	3	
		too bulky	11	a small for	6	it for about a	3	
		no matter	11	harness the harn	6	right through it in	3	
		it appears	11	for my chihuahua	6	the item is not	3	
		dog well	11	the dog in	6	and it fit perfectly	3	
		last a	11	was very disappo	6	according to the	3	
		lbs and	11	sent it back	6	it was bigger tha	3	
		which i	11	broke after a	6	was the right size	3	
		work well	11	seem to be	6	3 stars for the	3	
		lasted less	11	so i bought	6	material it is mad	3	
		and easy	11	the color and	5	to return this i	3	
		pull the	11	of the front	5	for the first time	3	

		much as	11	fit well but	5	a larger size and	3	
		seemed like	11	less than 2	5	i couldn't get it	3	
		a while	11	harness fell apart	5	other than that it's	3	
		his leg	11	less than 5	5	slip out of this	3	
		that has	11	waste of money!	5	out of this one	3	
		i paid	11	i didn't have	5	follow the size ch	3	
		smaller size	11	i guess i	5	would be great if	3	
		and got	11	to keep him	5	on my dog but	3	
		she got	11	it it was	5	his chest but the	3	
		received the	11	small so i	5	chest but the nec	3	
		tight as	11	having it on	5	but the neck is	3	
		with her	11	i ordered was	5	the way it looks	3	
		still a	11	dog wore it	5	so now i am	3	
		within the	11	big enough for	5	did not fit well	3	
		wrong size	11	enough for a	5	the only reason i	3	
		been able	11	would fit a	5	purchased this fo	3	
		a no	11	dog and it	5	that it is not	3	
		a short	11	and it didn't	5	too small orderec	3	
		pull harness	11	his chest but	5	it was too snug	3	
		months and	11	have to readjust	5	like this harness	3	
		size small	11	in this harness	5	it would have fit	3	
		i actually	11	the only way	5	on the front of	3	
		and well	11	fit at all	5	i found this harne	3	
		buy again	11	had to take	5	the harness i rec	3	
		design is	11	it off and	5	my 3 month old	3	
		harness my	11	back on her	5	as it should be	3

		very very	10	of it twice	5	was very difficult	3	
		up i	10	cheaply made an	5	very difficult to pu	3	
		very good	10	for large dogs	5	looking elsewher	3	
		several times	10	would have to	5	it may work well	3	
		in an	10	size up i	5	it is made of	3	
		of that	10	when we walk	5	this harness for 3	3	
		but a	10	but is a	5	to find the right	3	
		can get	10	him from pulling	5	because it was to	3	
		looks great	10	could have been	5	white dog hair all	3	
		for us	10	to adjust to	5	is that the neck	3	
		go with	10	i measured him	5	was too large for	3	
		stay in	10	get a refund	5	we had to return	3	
		size dog	10	i would recomme	5	leg through the n	3	

		if he	10	the part that	5	but it didn't work	3

		other dogs	10	seems well made	5	i ended up gettin	3	
		he could	10	to get over	5	work i returned it	3	
		her back	10	a different one	5	to put on our	3	
		my 5	10	use it but	5	it this is a	3	
		harness just	10	seemed like a	5	i think this would	3	
		it away	10	it stretched out	5	ordered a mediu	3	
		so i'm	10	can no longer	5	is way too large	3	
		much smaller	10	harness was grea	5	seems to be very	3	
		is perfect	10	in this product	5	a fan of this	3	
		be well	10	i measured her	5	and the sizing wa	3	
		thing is	10	within an hour	5	putting it on and	3	
		is difficult	10	back of the	5	it was extremely	3	
		too snug	10	disappointed with	5	he got out of	3	
		her the	10	harness is great	5	got out of the	3	
		be perfect	10	i will say	5	the problem is th	3	
		i want	10	think my dog	5	is a bit big	3	
		and bought	10	he still pulls	5	this harness is th	3	
		but did	10	on the first	5	over my dogs he	3

		went to	10	just too big	5	not a great fit	3	
		about it	10	ordered an xl	5	i went with a	3	
		fit right	10	because i have	5	it over their head	3	
		for two	10	than 3 months	5	i liked the produc	3	
		know if	10	on the side	5	a bigger size but	3	
		fit is	10	in the past	5	was looking for s	3	
		nicely made	10	3 weeks of	5	i don’t like that	3	
		one week	10	it back on	5	to get it over	3	
		after i	10	broke the harnes	5	it was difficult to	3

		great product	10	i wish it	5	too big around th	3	
		all i	10	looks nice and	5	expected it to las	3	
		made for	10	too small in	5	around the neck	3	
		i'm sure	10	try it on	5	for my small dogs	3	
		and now	10	months and the	5	and when i went	3	
		is ok	10	one is too	5	quality is good bu	3	
		harness would	10	got it i	5	of the harness bu	3	
		while walking	10	able to use	5	ordered a size up	3	
		i first	10	the clasp is	5	with this product	3	

		for you	10	would be the	5	and i still had	3	
		be adjusted	10	even after measu	5	way too big so	3	
		was no	10	our dog and	5	this harness my c	3

		week and	10	the color was	5	i received this pro	3	
		harness fit	10	first time i	5	and i love the	3	
		and looks	10	i took my	5	on the dog's back	3	
		shih tzu	10	the small and	5	a small dog that	3	
		whole harness	10	small and the	5	would be nice if	3	
		when my	10	comfortable for m	5	one of the seams	3	
		recommend it	10	it's hard to	5	i ordered 2 of	3	
		that he	10	so that is	5	ordered 2 of thes	3	
		making it	10	use this harness	5	work well for othe	3	
		one month	10	this harness a	5	to exchange it for	3	
		as we	10	room to grow	5	measured my do	3	
		the style	10	the large and	5	will update my re	3	
		to escape	10	is why i	5	it took a while	3	
		wears it	10	so if your	5	looks like it was	3	
		first i	10	my dog after	5	it just doesn't wor	3	
		did it	10	seems like a	5	in a few days	3	
		clip broke	10	like a good	5	i really wanted th	3

		i know	10	with the leash	5	difficult to get on	3	
		is an	10	it because it	5	and easy to use	3	
		in between	10	big for the	5	i don't think it	3

		it all	10	his head through	5	it is soft and	3	
				the straps to	5	it fit my dog	3

		at home	14	i ordered this	7	a year and it's	3

		been using	14	year of use	7	the arms are too	3	
		holding the	14	send me a	7	a little on the	3	
		back on	14	i leaned back	7	ended up buying	3	
		very thin	14	it has not	7	a different chair t	3	
		i contacted	14	chair was not	7	is not meant for	3	
		on amazon	14	the chair also	7	assembly of the c	3	
		long time	14	and it will	7	for a chair that	3	
		- i	14	chair for long	7	and i love it	3	
		the lever	14	it's very comforta	7	to take it back	3	
		worst chair	14	i sit on	7	it has been a	3	
		used it	14	hours at a	7	i got it and	3	
		not fit	14	for long hours	7	chair is nice but	3	
		assemble it	14	i don't want	7	but there was a	3	

		like sitting	14	don't want to	7	have only had the	3	
		the rest	14	a gaming chair	7	there was a tear	3	
		chair feels	14	for my son	7	had the chair a	3	
		is one	14	feels like it	7	i was very happy	3	
		is about	14	on the left	7	was very happy w	3	
		you don't	14	can't lean back	7	my home office a	3	
		but my	14	i don't like	7	of the seat i	3	
		build quality	14	for a refund	7	at this price point	3	
		than it	14	not that comforta	7	the chair arrived	3	
		on sale	14	after a year	7	for the price and	3	
		not hold	13	the floor and	7	was a tear in	3	
		very cheap	13	am going to	7	every time i move	3	
		in an	13	pain in the	7	time i move in	3	
		another one	13	is way too	7	i move in the	3	
		start to	13	assemble the cha	7	move in the chair	3	
		to ship	13	chair on the	7	spending a lot of	3	
		to look	13	of a chair	7	to say the least	3	
		chair without	13	to use a	7	i've ever sat in	3	
		good value	13	chair together an	7	a tear in the	3	
		again i	13	the armrests and	7	of time in this	3	
		so now	13	you can see	7	not a good chair	3	
		unfortunately i	13	less than 6	7	it if it wasn't	3	
		work i	13	to go through	7	chair i wish i	3	
		where it	13	it but i	7	i wish i would	3	
		ok chair	13	the control handle	7	it was fine for	3	
		smaller than	13	holes on the	7	feels like you're s	3	
		the description	13	the screws that	7	you're sitting on a	3	
		something else	13	little more and	7	just put it togethe	3	
		it still	13	for the seat	7	lean my head ba	3	
		for your	13	able to get	7	the back is very	3	
		have any	13	a year the	7	to sit on for	3	
		the mechanism	13	don't waste your	7	time in this chair	3	
		after 2	13	less than 2	7	i hate this chair	3	
		until the	13	2 months and	7	of this chair are	3	
		that comfortable	13	i have never	7	buy this chair i	3	
		and got	13	but i think	7	hard for me to	3	
		rather than	13	when i bought	7	to put them back	3	
		should not	13	is not worth	7	a lot of use	3	
		to give	13	after about 2	7	a favor and spen	3	
		stuck with	13	amount of time	7	be fine for you	3	
		a problem	13	months the chair	7	sinks to the floor	3	
		well and	13	i have is	7	took it out of	3	
		a way	13	which is why	7	the chair on the	3	
		height is	13	is not adjustable	7	it for the price	3	
		to adjust	13	be fine for	7	the cushioning in	3	
		i saw	13	feel like i'm	7	middle of the sea	3	
		the frame	13	i've ever owned	7	is that it is	3	
		fake leather	13	return the chair	7	it is impossible to	3	
		is hard	13	away from this	7	after an hour of	3	
		little over	13	do not have	7	but i thought it	3	
		quite a	13	back it is	7	and sit in the	3	
		issue is	13	is also not	7	i shift my weight	3	
		problem with	13	and now it	7	like you are sittin	3	
		your chair	13	the chair this	7	a hole in the	3	
		chair when	13	this might be	7	go through the ha	3	
		i ended	13	the entire chair	7	a year now and	3	
		the piston	13	it i am	7	through the hass	3	

		before i	13	a nice looking	7	attached to the s	3	
		comfortable it	13	it was just	7	putting it togethe	3	
		you feel	13	chair i was	7	keep it as it	3	
		as if	13	i got a	7	and put it togethe	3	
		lack of	13	chair that will	7	i guess i should	3	
		together it	13	than 30 minutes	7	guess i should ha	3	
		me but	13	no back support	7	it as it is	3	
		end up	13	i'm stuck with	7	spend a bit more	3	
		wore out	13	i have no	7	when you move a	3	
		say that	13	to the floor	7	there is no leathe	3	
		3 stars	13	if you're going	7	leans to one side	3	
		not line	13	put together i	7	can't lean back in	3	
		stay in	13	chair with a	7	that will last longe	3	
		and no	13	unless you are	7	i lean back the	3	
		then it	13	chair to sit	7	time i sit in	3	
		weight on	13	was a pain	7	this chair is just	3	
		on both	13	is easy to	7	padding is very th	3	
		first the	13	did not have	7	great for the first	3	
		for now	13	i was not	7	way to adjust it	3	
		for less	13	be using it	7	for the first month	3	
		back chair	13	recommend it to	7	comfortable as i l	3	
		not at	13	chair but not	7	as i had hoped	3	
		back at	13	the seat bottom	7	chair this is not	3	
		while it	13	it will hold	7	having this chair	3	
		price range	13	will hold up	7	it has not held	3	
		side and	13	it but after	7	has not held up	3	
		not great	13	chair with the	7	really wanted to l	3	
		would expect	13	had to do	7	to spend the extr	3	
		broke and	13	on one side	7	do not use it	3	
		think it	13	on it the	7	used the chair for	3	
		thing i	13	back part of	7	not a big guy	3	
		an issue	13	for my husband	7	and it will be	3	
		back into	13	length of time	7	if you are going	3	
		lean to	13	recommend this t	7	you are going to	3	
		not go	13	the chair broke	7	money and get a	3	
		your money	13	is not good	7	that holds the arr	3	
		the return	13	it when i	7	this is the first	3	
		be good	13	it will last	7	and get a better	3	
		pain after	13	but i wouldn't	7	this chair i am	3	
		back part	13	does not work	7	chair i am a	3	
		price this	13	give it a	7	what you would e	3	
		screws and	13	the quality is	7	back the chair is	3	
		a huge	13	not go in	7	get a better chair	3	
		padding and	13	i had high	7	to correct the pro	3	
		after less	13	back is not	7	this is the worst	3	
		spend the	13	it could be	7	that it is a	3	
		assembling the	13	hate this chair	7	sitting in it this	3	
		i started	13	i would say	7	chair itself is deco	3	
		it can	13	arms are too	7	the arm rests to	3	
		your butt	13	lean to the	7	while this chair is	3	
		bit more	13	is in the	7	it is very uncomfo	3	
		chair now	13	pay for this	7	i have had it	3	
		the rubber	13	chair arrived with	7	is a mid-back cha	3	
		because it's	12	i really wanted	7	to assemble the c	3	
		left side	12	back pain after	7	makes it a bit	3	
		arms of	12	when it arrived	7	to go to the	3	
		but is	12	purchase this cha	7	to sit on it	3	

		and even	12	this chair my	7	it was a pain	3	
		two stars	12	it should have	7	the box i would	3	
		is decent	12	so i had	7	forces you to sit	3	
		where you	12	3 months and	7	a little bit and	3	
		not stay	12	to the bottom	7	impossible to get	3	
		from amazon	12	and it doesn't	7	to the left which	3	
		would recommen	12	and i like	6	i used this chair	3	
		for some	12	it is now	6	and back of the	3	
		of those	12	with it is	6	of the chair as	3	
		as my	12	too low for	6	at your desk for	3	
		the two	12	i thought i	6	you sit down and	3	
		my arms	12	to try and	6	could use a little	3	
		was just	12	a couple hours	6	back and the sea	3	
		we have	12	get a new	6	when i tried to	3	
		there were	12	easy to follow	6	use a little more	3	
		very hard	12	of daily use	6	the chair was fair	3	
		told me	12	chair so i	6	chair was fairly e	3	
		my elbows	12	into the seat	6	was fairly easy to	3	
		it might	12	not have a	6	a little more padc	3	
		even with	12	lean back i	6	more padding in	3	
		is quite	12	the chair were	6	in the seat and	3	
		this has	12	better than the	6	the seat is so	3	
		for any	12	purchased it for	6	is a cheap piece	3	
		the old	12	and it does	6	not a great chair	3	
		and in	12	to reach the	6	a few days i	3	
		used this	12	down in it	6	i was sitting on	3	
		daily use	12	office chair this	6	to see if i	3	
		the legs	12	this thing is	6	most of the chair	3	
		after just	12	part of my	6	the chair is okay	3	
		is way	12	of the material	6	for the long haul	3	
		it apart	12	it on sale	6	you pay for chair	3	
		is for	12	a whole lot	6	this chair becaus	3	
		my home	12	when i got	6	for the fact that	3	
		this point	12	if i had	6	working at a desk	3	
		the issue	12	i would return	6	a cheap piece of	3	
		made out	12	and i can't	6	i bought it i	3	
		purchase this	12	than a month	6	makes you feel li	3	
		in to	12	you would expec	6	this chair the sea	3	
		like you're	12	you try to	6	this would be a	3	
		your legs	12	but i'm not	6	is no way i	3	
		it's comfortable	12	what you get	6	for the price poin	3	
		a screw	12	a good value	6	easy to assemble	3	
		by a	12	the left armrest	6	the middle of my	3	
		your head	12	after a while	6	a few more bucks	3	
		the second	12	to sit up	6	feel like the chair	3	
		it felt	12	sit up straight	6	easy to assemble	3	
		felt like	12	your money and	6	and i don't think	3	
		since the	12	hour or so	6	the chair is quite	3	
		support for	12	if you put	6	be a great chair	3	
		the weight	12	but its not	6	on the top of	3	
		into my	12	what i was	6	chair as it is	3	
		then i	12	it is an	6	this was a good	3	
		also not	12	because i have	6	was a good chair	3	
		made in	12	falling apart the	6	is comfortable en	3	
		figure out	12	two stars becaus	6	for an extended p	3	
		a fairly	12	this chair came	6	an extended peri	3	
		your thighs	12	had to go	6	is a decent chair	3	

		to pay	12	all over the	6	the seat and arm	3	
		leaning forward	12	it on the	6	has to be the	3	
		the gas	12	back is nice	6	to be the most	3	
		a major	12	6 months of	6	i have with it	3	
		little bit	12	contacted the sel	6	with it is the	3	
		it with	12	this chair this	6	in it the chair	3	
		back so	12	not comfortable f	6	i sit up straight	3	
		sent me	12	at all and	6	was a little disap	3	
		chair however	12	and had to	6	not sure if i	3	
		the next	12	buy a different	6	in a few months	3	
		thing is	12	have is that	6	when i first sat	3	
		first time	12	it if it	6	i first sat down	3	
		rest of	12	i am going	6	the seat with a	3	
		a box	12	last more than	6	the seat back to	3	
		i've been	12	is that it	6	chair i bought it	3	
		stay away	12	edge of the	6	low enough for m	3	
		what it	12	i thought this	6	when i opened th	3	
		i'll be	12	up to the	6	i have never had	3	
		for one	12	could be a	6	sit all the way	3	
		is in	12	and i would	6	holes didn't line u	3	
		a pretty	12	it for an	6	even on the lowe	3	
		just got	12	chair was great	6	i have had to	3	
		is all	12	while it lasted	6	the chair but i	3	
		how long	12	have to replace	6	i haven't even ha	3	
		one and	12	a few more	6	i'm a small guy	3	
		5 stars	12	bought two of	6	chair that i have	3	
		appears to	12	is good but	6	sit in for more	3	
		high enough	12	i was a	6	for more than a	3	
		on me	12	for big and	6	a ok chair for	3	
		the hole	12	they are not	6	this chair was a	3	
		a waste	12	was a little	6	one side of the	3	
		comfortable enou	12	it i don't	6	chair was a bit	3	
		assembled it	12	but the padding	6	the seat to the	3	
		is going	12	i like it	6	with this chair is	3	
		it hurts	12	not able to	6	chair is that the	3	
		cannot be	12	i would recomme	6	is too high and	3	
		more and	12	weight on the	6	and it does not	3	
		desk and	12	very nice chair	6	i found that the	3	
		very small	12	had to be	6	maybe i got a	3	
		old and	12	is why i	6	broke after less t	3	
		hold the	12	months and it	6	i have a bad	3	
		and feels	12	year and a	6	center of the sea	3	
		out there	12	the sides of	6	bought this to rep	3	
		a full	12	the screws to	6	and the arm rest	3	
		using the	12	cushion in the	6	was a bit of	3	
		in one	12	a week or	6	issue is the cushi	3	
		came in	12	a seat cushion	6	chair is made for	3	
		bought the	12	too small for	6	i am having to	3	
		took a	12	for it to	6	a bit of a	3	
		cushion to	12	to last a	6	use the chair is	3	
		way back	12	a year ago	6	the arm rests has	3	
		all that	12	for any length	6	i will not be	3	
		fact that	12	any length of	6	i purchased the c	3	
		buying a	12	it will not	6	better chairs out	3	
		no support	12	have been using	6	the chair was not	3	
		it's been	12	one of them	6	to get this chair	3	
		of hours	12	make it work	6	chair looks good	3	

		the package	12	spend a lot	6	and the top of	3	
		is what	12	in the arm	6	office chair this c	3	
		not going	12	i tried to	6	chairs out there f	3	
		fairly comfortable	12	i had purchased	6	more than a coup	3	
		year of	12	i went to	6	sat down in it	3	
		see the	12	as much as	6	of the chair now	3	
		chairs that	12	is made out	6	the right and is	3

		it did	10	for short term	5	of the chair there	3	
		ship it	10	very happy with	5	however the seat	3

		again and	10	of the legs	5	this chair the cha	3	
		feels cheap	10	i bought 2	5	of the great revie	3	
		i suppose	10	bought 2 of	5	to disassemble it	3	
		they said	10	just a little	5	pain after a few	3	
		it goes	10	does the job	5	i was hoping for	3	
		mesh backing	10	a high back	5	it out in person	3	
		and use	10	up to my	5	i did not want	3	
		much better	10	i needed a	5	want to return it	3

				because i had	5	a few months but	3	
				more comfortable	5	the seat to be	3

		purchased it	11	i took it	6	was sitting in it	3	
		is flimsy	11	of the way	6	is not able to	3	
		the material	11	however it is	6	was fairly easy to	3	
		whole thing	11	times a day	6	not buy this produ	3	
		a highchair	11	to get off	6	is hard to put	3	
		a regular	11	and hard to	6	you have a chubl	3	
		seat to	11	what i expected	6	just a piece of	3	
		is always	11	the price it	6	easy to clean but	3	
		not comfortable	11	to send back	6	is so small that	3	
		my first	11	than i expected	6	due to the fact	3	
		the wood	11	it was easy	6	up to the table	3	
		chair if	11	a more expensive	6	not happy with th	3	
		the pad	11	to remove and	6	high chair this hig	3	
		what it	11	to move it	6	very easy to put	3	
		because we	11	it is cheaply	6	the chair is easy	3	
		to fit	11	and i was	6	was very difficult	3	
		chairs and	11	i could have	6	difficult to remove	3	
		we ended	11	have returned it	6	a pain to put	3	
		than the	11	it i would	6	in my opinion the	3	
		it still	11	with the straps	6	i am returning the	3	
		chair it's	11	my child in	6	that goes in betw	3	
		for about	11	i don't have	6	to use when they	3	
		is already	11	where the legs	6	but it is not	3	
		of all	11	it 3 stars	6	when i opened th	3	
		don't have	11	a gift and	6	i had to return	3	
		doesn't seem	11	on the side	6	it three stars beca	3	
		shoulder straps	11	the chair it	6	to put in and	3	
		up the	11	it would have	6	not a good idea	3	
		the rest	11	does not slide	6	to the size of	3	
		excited to	11	it was very	6	space saving hig	3	
		my toddler	11	are too small	6	the one i had	3	
		it's nice	11	in the plastic	6	between the seat	3	
		it's just	11	a little flimsy	6	for my 10 month	3	

		far as	11	so hard to	6	and it does not	3	
		better quality	11	gets the job	6	on the tray is	3	
		buying a	11	5 point harness	6	high chair with th	3	
		like how	11	was very disappo	6	the tray is so	3	
		the safety	11	really excited abo	6	i expected it to	3	
		and cheap	11	returned it the	6	expected it to be	3	
		seat but	11	the tray to	6	but it is very	3	
		and have	11	to have a	6	bottom of the cha	3	
		fine but	11	i put it	6	in it it is	3	
		unless you	11	my 1 year	6	way smaller than	3	
		good quality	11	to secure it	6	i don't think it	3	
		it if	11	in it the	6	time we tried to	3	
		end up	11	it it was	6	i decided on this	3	
		i needed	11	i expected it	6	and it folds up	3	
		who is	11	did not like	6	disappointed in th	3	
		flimsy the	11	very flimsy and	6	didn't seem very	3	
		tray off	11	flimsy and the	6	for a long time	3	
		go with	11	is kind of	6	you have to be	3	
		and very	11	was in it	6	i bought this high	3	
		so you	11	on the legs	6	it was one of	3	
		box and	11	as well as	6	is 11 months old	3	
		to this	11	had to put	6	months old and w	3	
		very easily	11	not sturdy at	6	in the back of	3	
		think this	11	sturdy at all	6	it takes up a	3	
		so small	11	to use when	6	this chair and it	3	
		how it	11	chair but i	6	its easy to clean	3	
		i couldn't	11	a good idea	6	it serves it's purp	3	
		has the	11	to use and	6	as soon as i	3	
		fold it	11	as soon as	6	i was very excited	3	
		for us	11	high chair was	6	way to get it	3	
		space saving	11	fit in the	6	not happy at all	3	
		in between	11	was very excited	6	i was trying to	3	
		to say	11	rest of the	6	of a high chair	3	
		one with	11	not work well	6	tray is a little	3	
		is okay	11	of the straps	6	a little difficult to	3	
		we got	11	cheap and flimsy	6	as a back up	3	
		really wanted	11	is cheap and	6	it does not have	3	
		needs to	11	chair as a	6	i agree with other	3	
		quality is	11	for me to	6	did not want to	3	
		bought a	11	the wheels do	6	you are looking fo	3	
		it did	11	but the wheels	6	are looking for a	3	
		removable tray	11	i wouldn't buy	6	but it is a	3	
		that it's	11	in a small	6	but for the price	3	
		used as	11	my 7 month	6	our other high ch	3	
		son was	11	in the leg	6	like it would be	3	
		push the	11	fact that the	5	sitting in this chai	3	
		the belts	11	and it does	5	up on the floor	3	
		like is	11	a good high	5	problem is that th	3	
		without the	11	months and the	5	to hold my child	3	
		well the	11	most of the	5	it is not safe	3	
		its a	11	spend the extra	5	hard to put togeth	3	
		forward to	10	the top of	5	the tray is flimsy	3	
		not happy	10	it's a great	5	to put it together	3	
		the screws	10	is very cheaply	5	to clean it the	3	
		returning the	10	going to be	5	there is a small	3	
		and now	10	the tray so	5	i ordered 2 of	3	
		and bought	10	is not sturdy	5	ordered 2 of thes	3	

		it isn't	10	the seat that	5	the side of the	3	
		almost impossibl	10	buy this product	5	listened to the re	3	
		reviews i	10	buy this chair	5	the angle of the	3	
		ok for	10	because i love	5	as far as the	3	
		sent it	10	the baby to	5	no way to get	3	
		uncomfortable fo	10	the price and	5	and because of t	3	
		open and	10	put a pillow	5	this chair as a	3	
		not adjustable	10	to clean i	5	chair as a gift	3	
		for everyday	10	all the straps	5	high chair do not	3	
		everyday use	10	i can't even	5	this high chair it's	3	
		be the	10	a week and	5	but i do like	3	
		wouldn't recomm	10	the seat it	5	i would give this	3	
		together and	10	we tried to	5	it one of the	3	
		and just	10	little more money	5	it is not stable	3	
		safe for	10	better high chair	5	this chair becaus	3	
		made and	10	these high chairs	5	of the chair that	3	
		doesn't fit	10	it to use	5	rocks back and f	3	
		fold and	10	my son was	5	i would have retu	3	
		a real	10	off the tray	5	chair in the future	3	
		with us	10	don't think it	5	it the seat is	3	
		to replace	10	received this as	5	the seat is very	3	
		light weight	10	when it is	5	and the chair itse	3	
		him to	10	for a long	5	seat cover is not	3	
		come with	10	all over the	5	i also like the	3	
		be returning	10	my little one	5	it i purchased this	3	
		two hands	10	that this high	5	more than one ch	3	
		in one	10	to wash the	5	used it as a	3	
		read the	10	can use it	5	you can remove t	3	
		the shoulder	10	slides down in	5	i love the concep	3	
		and so	10	to send it	5	with one hand bu	3	
		the next	10	to be the	5	as a gift from	3	
		one for	10	it works but	5	buy this chair aga	3	
		fell out	10	a very small	5	not buy this chair	3	
		so it's	10	base of the	5	on top of that	3	
		the problem	10	this chair was	5	so i can't even	3	
		time and	10	it will work	5	move the chair a	3	
		highchair and	10	the base of	5	i paid for this	3	
		to give	10	very excited to	5	it is difficult to	3	
		even with	10	so i don't	5	excited about this	3	
		send it	10	get a better	5	i put it together	3	
		it's not	10	a great idea	5	when the tray is	3	
		old son	10	which makes it	5	wheels don't roll	3	
		chair seems	10	to spend a	5	was too small for	3	
		of cheap	10	the chair so	5	not as easy to	3	
		as my	10	to wipe down	5	really like this cha	3	
		is almost	10	wipe it down	5	to put together i	3	
		7 month	10	the straps to	5	for my 3 month	3	
		the removable	10	from the seat	5	my 3 month old	3	
		and for	10	so the chair	5	and the chair is	3	
		folded up	10	was in the	5	i will say that	3	
		up on	10	way too far	5	the middle of the	3	
		time to	10	seat and the	5	chair does the jo	3	
		one year	10	the chair when	5	high chair in a	3	
		back i	10	that the back	5	is almost impossi	3	
		up very	10	could not get	5	it needs to be	3	
		for him	10	i wish it	5	have to move the	3	
		don't think	10	in the butt	5	and i did not	3	

		is pretty	10	to take off	5	we ended up retu	3	
		needed a	10	recommend this	5	ended up returnir	3	
		love how	10	take it off	5	the straps are dif	3	
		assemble but	10	guess you get	5	straps are difficul	3	
		seat was	10	do it over	5	wish there was a	3	
		assemble the	10	it and the	5	easy to use and	3	
		is fine	10	looks like a	5	it can grow with	3	
		job but	10	nice high chair	5	it may be a	3	
		get on	10	the chair with	5	nice and easy to	3	
		ordered this	10	so i had	5	9 months old anc	3	
		is way	10	11 month old	5	a high chair for	3	
		like to	10	it in a	5	other than that i	3	
		also very	10	for a replacemen	5	between the bacl	3	
		use for	10	and i like	5	fit in the leg	3	
		in i	10	problem is the	5	we had to cut	3	
		we use	10	on it and	5	in the butt to	3	
		a pretty	10	down in it	5	to use this for	3	
		if your	10	i don't feel	5	i should have list	3	
		came with	10	which is why	5	should have liste	3	
		is good	10	too small and	5	that this chair is	3	
		i read	10	attach to the	5	be able to use	3	
		food to	10	so we just	5	the leg holes and	3	
		off easily	10	to keep the	5	so much easier t	3	
		out the	10	of the metal	5	much easier to cl	3	
		great chair	10	appears to be	5	if you are a	3	
		my 8	10	seat and tray	5	to get it clean	3	
		for babies	10	the lack of	5	two hands to rem	3	
		is what	10	impossible to rem	5	be a great produ	3	
		for cleaning	10	to use i	5	to clean the seat	3	
		but as	10	stars because it	5	is impossible to g	3	
		got a	10	chair that is	5	appears to be a	3	
		flimsy it	10	a few days	5	to get stuck in	3	
		i felt	10	clean the tray	5	nooks and cranni	3	
		table is	10	the other reviews	5	of nooks and cra	3	
		a full	10	the back to	5	small for his age	3	
		assemble and	10	but it does	5			
		a day	10	the price it's	5			
		but its	10	tray can be	5			
		for you	10	disappointed in th	5			
		well and	10	very disappointed	5			
		the idea	10	it leans back	5			
		months of	10	i ordered this	5			
		the cushion	10	do like the	5			
		to like	10	love that it	5			
		however i	10	fold up and	5			
		only thing	10	to be very	5			
		are the	10	it doesn't fold	5			
		was looking	10	and you cannot	5			
		but when	10	a very nice	5			
		compared to	10	not fit in	5			
		fabric is	10	the seat i	5			
		into place	10	have a very	5			
		but this	10	to like this	5			
		that will	10	to open and	5			
		but now	10	is a small	5			
		old i	10	the design is	5			
				easy to set	5

during	10	after only	12	one year old	6	i ordered this stro	3	
jogging	10	for us	12	the wheels starte	6	thought it would b	3	
fully	10	would work	12	a couple of	6	to close and oper	3	
mechanism	10	however it	12	i think it	6	not use this for	3	
expect	10	that this	12	waste your mone	6	in it and the	3	
twin	10	not good	12	it's hard to	6	is that the handle	3	
noticed	10	very lightweight	12	hard to turn	6	the stroller will no	3	
let	10	buy a	12	of the back	6	to push and man	3	
awful	10	under the	12	to take on	6	uncomfortable to	3	
(i'm	10	returning it	12	so excited to	6	have to lean over	3	
weighs	10	supposed to	12	we had a	6	other than that it's	3	
expecting	10	is light	12	it would work	6	this is the worst	3	

basic	10	but we	12	fit in the	6	are too low for	3	
drink	10	to our	12	would have to	6	i am 5'7" and	3	
fell	10	for traveling	12	a bit more	6	it did its job	3	
working	10	very light	12	hit the wheels	6	you are looking fo	3	
exchange	10	stroller so	12	it for the	6	i don't use it	3	
rough	10	tried to	12	i am not	6	very hard to man	3	
paid	10	very short	12	to fold the	6	i don't like that	3	
functional	10	not even	12	and had to	6	the wheels do no	3	
stopped	10	how it	12	i could not	6	touch the ground	3	
mall	10	that would	12	to get to	6	easy to set up	3	
total	10	the little	12	in my car	6	the front wheels a	3	
20	10	a big	12	to figure out	6	very hard to turn	3	
backwards	10	fine but	12	for an umbrella	6	hopes for this str	3	
doesnt	10	down to	12	our trip to	6	if you are over	3	
sidewalks	10	but for	12	opening and clos	6	it was hard to	3	
hot	10	a waste	12	high hopes for	6	save your money	3	
extended	10	how to	12	easy to collapse	6	it was easy to	3	
bars	10	one is	12	to try and	6	i was able to	3	
collapsed	10	lightweight but	12	the top of	6	it for a trip	3	
hardly	10	well the	12	due to the	6	got this stroller fo	3	
basically	10	the size	12	bought this to	6	i would have rath	3	
inches	10	and light	12	hopes for this	6	a little more for	3	
hole	10	you need	12	on the handles	6	i really like the	3	
mesh	10	and get	12	cup holder for	5	it this is a	3	
floor	10	good thing	12	a joke it	5	the only problem	3	
held	10	thing is	12	difficult to fold	5	and the handles	3	
onto	10	time and	12	at the airport	5	the handles were	3	
neck	10	little more	12	but the seat	5	handles were too	3	
locks	10	fold the	12	every time i	5	kicking the wheel	3	
50	10	really wanted	12	it as a	5	the wheels as i	3	
coming	10	figure out	12	stroller would be	5	the price it is	3	
safety	10	baby in	12	i did not	5	husband and i ar	3	
		and lightweight	12	had high hopes	5	but that's about it	3	
		not recline	12	is in the	5	right out of the	3	
		it we	12	this stroller would	5	a few uses the	3	
		back support	12	it's a nice	5	to open and fold	3	
		could have	12	returned it and	5	the angle of the	3	
		use and	12	this stroller will	5	the quality of the	3	
		but this	11	the only reason	5	making it difficult	3	
		other strollers	11	my 1 year	5	to take on a	3	
		a cheap	11	this as a	5	felt like it was	3	
		sit in	11	the quality is	5	angle of the seat	3	
		straps are	11	would work for	5	it is not a	3	
		use for	11	close to the	5	and easy to open	3	
		i liked	11	year old and	5	for this stroller bu	3	
		disappointed in	11	when you have	5	you have to use	3	
		now i	11	i ordered this	5	this stroller but th	3	
		love that	11	so it is	5	have kept it but	3	
		is super	11	block the sun	5	i liked the idea	3	
		i use	11	it but it	5	it is hard to	3	
		to travel	11	it is just	5	how light it is	3	
		wheels were	11	is very small	5	so it will do	3	
		not like	11	sit in it	5	my son is only	3	
		pushing the	11	in it so	5	to use it for	3	
		broke after	11	it so i	5	an umbrella stroll	3	
		because it's	11	it's a pain	5	it was going to	3	
		it this	11	use two hands	5	my husband who	3	

		could not	11	two hands to	5	the wheels when	3	
		the entire	11	stroller it does	5	wheels when i wa	3	
		fact that	11	it and it	5	too low and i	3	
		back is	11	be good for	5	it needs to be	3	
		works great	11	great stroller for	5	have a hard time	3	
		the summer	11	stroller it is	5	disappointed with	3	
		do like	11	i had high	5	able to push it	3	
		work with	11	the stroller seems	5	does not fold up	3	
		is small	11	i like this	5	i wish the handles	3	
		it's so	11	don't recommend	5	it feels like the	3	
		top of	11	more of a	5	i wish it had	3	
		2 year	11	stuck in the	5	quality for the pri	3	
		for someone	11	great stroller but	5	so i have to	3	
		poor quality	11	cup holder is	5	this stroller would	3	
		to find	11	is a decent	5	is not at all	3	
		and that	11	stroller it was	5	when you try to	3	
		to move	11	i think i	5	this stroller has a	3	
		well and	11	in the butt	5	in the car i	3	
		not stay	11	stroller i love	5	stroller is too sho	3	
		the extra	11	kind of a	5	my feet hit the	3	
		a lightweight	11	first time we	5	the handles were	3	
		and unfold	11	tried to use	5	i used it for	3	
		back to	11	in the box	5	but other than tha	3	
		i found	11	is kind of	5	fold and unfold it	3	
		stroller will	11	the box and	5	it was a waste	3	
		of using	11	stars because it	5	i wish i had	3	
		the weight	11	stroller in the	5	not that easy to	3	
		for her	11	when i bought	5	fold with one han	3	
		a joke	11	it i am	5	and there is no	3	
		i tried	11	we would have	5	i was very disapp	3	
		stroller would	11	light weight and	5	i had to put	3	
		6 months	11	the baby is	5	the front wheel w	3	
		worth it	11	you want to	5	cup holders are t	3	
		it as	11	to do it	5	holders are too s	3	
		but that's	11	get stuck in	5	i was expecting a	3	
		than that	11	i guess it's	5	the back support	3	
		i returned	11	in the trunk	5	this is a very	3	
		and compact	11	light weight but	5	i bought it to	3	
		my back	11	to use and	5	not worth the mo	3	
		buy this	11	to hold a	5	it this stroller is	3	
		so small	11	get this stroller	5	for the price the	3	
		happy with	11	easy to take	5	easy to push and	3	
		the side	11	it it is	5	and the fact that	3	
		end up	11	for a few	5	would have been	3	
		is good	11	the job but	5	not for tall people	3	
		husband and	11	the way the	5	it is very compact	3	
		who is	11	expected it to	5	it was not very	3	
		little one	11	in the way	5	have a mind of	3	
		pain to	11	is very easy	5			
		and now	11	very cheaply mad	5			
		with our	11	was very disappo	5			
		much better	11	it was to	5			
		we used	11	stroller and it	5			
		through the	11	the ground and	5			
		well i	11	the wheel broke	5			
		is almost	10	use this for	5			
		and fold	10	but i have	5			

		when pushing	10	the storage bask	5			
		forward and	10	and if you	5			
		months and	10	it's a good	5			
		to walk	10	i would give	5			
		and would	10	easy to store	5			
		around my	10	in the middle	5			
		had it	10	you are tall	5			
		too much	10	is good for	5			
		so that	10	of money i	5			
		to try	10	is going to	5			
		the middle	10	but i don't	5			
		while pushing	10	to set up	5			
		the seats	10	good for the	5			
		to steer	10	on the back	5			
		very difficult	10	in it the	5			
		after the	10	my 4 year	5			
		stars because	10	my baby is	5			
		compared to	10	hole in the	5			
		that my	10	so i don't	5			
		there was	10	seems like a	5			
		this purchase	10	difficult to push	5			
		so the	10	small for a	5			
		new one	10	wanted to like	5			
		can see	10	in it i	5			
		short i	10	cheaply made an	5			
		and are	10	it is easy	5			
		be comfortable	10	cheap umbrella s	5			
		put together	10	it's not as	5			
		and he	10	to take the	5			
		holders are	10	stay in place	5			
		it from	10	more and get	5			
		the frame	10	the sun is	5			
		is because	10	is no way	5			
		not great	10	had to put	5			
		easily and	10	but i wish	5			
		very uncomfortab	10	for it to	5			
		hold up	10	thought this woul	5			
		umbrella strollers	10	do not like	5			
		waste your	10	is a very	5			
		cheap and	10	rest of the	5			
		for short	10	the front seat	5			
		needed a	10	to the right	5			
		3 year	10	it was very	5			
		don't know	10	it and the	5			
		seat was	10	but not for	5			
		hit the	10	as soon as	5			
		stroller a	10	part of the	5			
		so it's	10	and the canopy	5			
		it also	10	are going to	5

service	10	one with	11	is difficult to	5			
outer	10	the third	11	as far as	5			
complete	10	hose itself	11	get the hose	5			
thread	10	return window	11	about a year	5			
broken	10	is great	11	i purchased a	5			
premium	10	water through	11	water hose and	5			
pipe	10	we are	11	at the female	5			
40	10	makes it	11	than a year	5			
bowl	10	2 weeks	11	a cheap hose	5			
constantly	10	after 2	11	it's a hose	5

fairly	10	be the	11	all the way	5			
weak	10	time it	11	my travel trailer	5			
spray	10	months and	11	was able to	5			
lost	10	can be	11	hose and it	5			
built	10	i returned	11	i purchased the	5			
test	10	water still	11	a little over	5			
summer	10	thought it	11	with the hose	5			
repair	10	a great	11	this product agai	5			

during	10	is good	11	attached it to	5			
usable	10	well i	11	of these the	5			
hassle	10	3 months	11	use in the	5			
late	10	impossible to	11	in the middle	5			
defect	10	however the	11	used it i	5			
poorly	10	water hoses	11	middle of the	5			
odor	10	to an	11	after less than	5			
case	10	with no	11	and i am	5			
pieces	10	attaches to	11	able to use	5			
tube	10	even with	11	we had to	5			
anyone	10	to remove	11	to remove it	5			
become	10	after about	11	at the same	5			
live	10	to it	11	a water pressure	5			
tightly	10	pressure in	11	the hose from	5			
course	10	is no	11	on the male	5			
missing	10	hose not	11	have to use	5			
flush	10	buy another	11	i think it	5			
degree	10	fine but	11	like the idea	5			
quickly	10	ago and	11	i purchased it	5			
		water but	11	use it was	5

later	11	sturdy and	12	to return the	5
