likely	10	is already	12	but it still	6	go away after a	3	
pop	10	the curtains	12	and it still	6	that the curtain is	3	
shorter	10	of mildew	12	there are only	6	job of keeping wa	3

		magnets don't	11	as long as	5	but it is very	3	
		more like	11	these would be	5	there are no gron	3

		these curtains	11	is not what	5	it in the shower	3	
		in and	11	to get a	5	on the ends of	3	
		see through	11	liner i've ever	5	go back to the	3

		at a	11	hanging it up	5	i thought it would	3	
		hung it	11	to use the	5	out of the tub	3	
		there were	11	total waste of	5	but it has been	3	
		curtain has	11	and buy a	5	are no metal gron	3	
		up on	11	it as i	5	causes the curtai	3	
		good but	11	looks like it	5	within a few weel	3	
		but will	11	as much as	5	top of the tub	3	
		part of	11	me in the	5	i was hoping it	3	
		longer than	11	shower the magn	5	will not buy again	3	
		two of	11	it's a shower	5	liner is too short	3	
		water in	11	and get somethin	5	in fact it is	3	
		i needed	11	in a pack	5	it is a shower	3	
		a great	11	the curtain down	5	very strong chem	3	
		very thick	11	i don't recommen	5	on the bottom bu	3	
		bottom to	11	the weight of	5	liner that came w	3	
		my last	11	mold or mildew	5	heavy enough to	3	
		and no	11	to replace a	5

		use the	11	you while you	5			
		didn't have	11	the package was	5			
		it should	11	going to have	5			
		have bought	11	the grommets are	5			

		the wrong	11	when the shower	5			
		if you're	11	off the hooks	5			
		chemical smell	11	a bit of	5			
		in our	11	some of the	5			
		and mildew	11	i could return	5			
		thing is	11	keep the water	5			
		the past	11	of the bottom	5			
		and does	10	what i was	5			
		end up	10	magnets to hold	5			
		fact that	10	about a month	5			
		onto the	10	these curtains ar	5			
		like that	10	like it was	5			
		no grommets	10	in on you	5			
		6 months	10	not as thick	5			
		is more	10	all what i	5			
		very cheap	10	so i don't	5			
		and buy	10	if i could	5			
		the magnet	10	at all i	5			
		tub i	10	clear shower curt	5			
		when we	10	it is just	5			
		don't work	10	i read the	5			
		weight and	10	opened the packa	5			
		down and	10	not going to	5			
		as others	10	that they are	5			
		amount of	10	shower curtain th	5			
		opened the	10	the first one	5			
		up with	10	in less than	5			
		last long	10	i will go	5			
		no metal	10	gauge shower cu	5			
		as thick	10	mold all over	5			
		is much	10	hooks are not	5			
		but for	10	i have been	5			
		way to	10	2 stars because	5			
		like i	10	within a few	5			
		quality i	10	at all and	5			
		so you	10	because it is	5			
		that will	10	get the job	5			
		was very	10	couple of weeks	5			
		too light	10	i would give	5			
		before i	10	only received one	5			
		money on	10	the same thing	5			
		on amazon	10	over a year	5			
		to your	10	i've had it	5			
		you can't	10	i could have	5			
		there was	10	for the money	5			
		feels like	10	the curtain rod	5			
		little more	10	while taking a	5			
		blows in	10	about a week	5			
		one is	10	listed as a	5			
		strong chemical	10	about 6 months	5			
		job but	10	is better than	5			
		to spend	10	money on this	5			
		see if	10	curtain i had	5			
		for something	10	the hooks are	5			
		used to	10	will be returning	5			
		itself is	10	is made of	5			
		is heavy	10	as far as	5			

		so i'm	10	but i won't	5			
		water from	10	shower curtain i'v	5			
		liner so	10	mildew resistant	5			
		read the	10	you need to	5			
		too long	10	this curtain for	5			
		as they	10	was supposed to	5			
		well as	10	this is an	5			
		with no	10	less than a	5			
		this i	10	the bottom it	5			
		a cheap	10	had to put	5			
		mildew and	10	to put it	5			
		only received	10	i didn't realize	5			
		3 stars	10	a year and	5			
		so they	10	to the side	5			
		have the	10	and i was	5			
		bought the	10	to be replaced	5			
		use this	10	the price is	5			
		not at	10	this curtain liner	5			
		heavy as	10	the liner i	5			
		to mildew	10	are not reinforced	5			
		curtain this	10	supposed to be	5			
		nice but	10	and has a	5			
		come with	10	curtain liner for	5			
		bought a	10	if you're looking	5			
		this because	10	shower curtain h	5			
		right through	10	it was only	5			
		however it	10	not in the	5			
		that it's	10	in a shower	5			
		is it	10	it will not	5			
		the ends	10	to make it	5			
		all that	10	i am going	5			
		another one	10	this was a	5			
		shower is	10	after 3 months	5			
		against the	10	so the curtain	5			
				as i was	5			
				it is only	5			
				shower curtain w	5			
				buy a new	5			
				i am sure	5			
				that does not	5			
				will not be	5

				replace it with	5			
				nice and heavy	5

				long enough to	5			
				it out of	5

		too bad	11	just a few	5	ordered a large a	3			
		it ripped	11	get on and	5	and one of the	3			
		medium i	11	day my dog	5	dog i bought this	3			
		to size	11	my medium size	5	and it fit perfectly	3			
		used this	11	on my dogs	5	to return this i	3			
		good harness	11	very cheaply mad	5	she slipped out o	3			
		small harness	11	think it would	5	it's easy to get	3			
		the fact	11	it to fit	5	out of it in	3			
		d ring	11	i think if	5	purchased this fo	3			
		looks nice	11	harness and the	5	there is no way	3			
		be too	11	the extra large	5	this harness is th	3			
		used the	11	had the harness	5	according to the	3			
		other than	11	doesn't fit my	5	and he was able	3			
		i also	11	had high hopes	5	material it is mad	3			
		on i	11	it would work	5	able to get it	3			
		off i	11	stars because it	5	as it would go	3			
		give it	11	a size medium	5	the large for my	3			

		puppy and	11	apart at the	5	had to return the	3			
		it works	11	than 3 months	5	and i like the	3			
		is on	11	thought it was	5	the harness does	3			
		good but	11	i will have	5	the way it looks	3			
		for about	11	at the seams	5	my dog chewed i	3			
		so if	11	was looking for	5	one of the worst	3			
		the xxl	11	like it was	5	on the back brok	3			
		when the	11	happy with the	5	a month and it	3			
		fit i	11	he has a	5	for a big dog	3			
		the correct	11	is made well	5	now i am stuck	3			
		seems like	11	able to escape	5	my 6 month old	3			
		loose and	11	didn't want to	5	i am stuck with	3			
		on walks	11	to put this	5	hook on the back	3			
		few days	11	is way off	5	as a back up	3			
		the body	11	i will say	5	on the front of	3			
		so far	11	not a fan	5	maybe my dog is	3			
		decided to	11	chewed through	5	ring on the back	3			
		but is	11	the smallest size	5	bust out of it	3			
		in half	11	even with the	5	not happy at all	3			
		it's too	11	this product was	5	for a large dog	3			
		problem is	11	not worth the	5	a little too big	3			
		was just	11	used this harness	5	this is a good	3			
		think it	11	around his neck	5	my 4 month old	3			
		within the	11	the large is	5	while on a walk	3			
		take it	11	tight around her	5	to get it over	3			
		was to	11	this did not	5	too big so i	3			
		into it	11	good quality and	5	i sent it back	3			
		seem to	11	it would not	5	out how to put	3			
		followed the	10	of use i	5	would be a great	3			
		buy another	10	because i have	5	easily slip out of	3			
		and pulls	10	small for her	5	i bought for my	3			
		so the	10	that holds the	5	fit over his head	3			
		that has	10	my dog well	5	it was extremely	3			
		under her	10	of good quality	5	was too big i	3			
		product but	10	that does not	5	the xl for my	3			
		one side	10	a larger size	5	to fit my dog	3			
		fit but	10	one is too	5	is a bit big	3			
		have the	10	figured out how	5	and it is almost	3			
		it very	10	the dog the	5	guess you get wh	3			
		dog can	10	i was hoping	5	have a larger dog	3			
		coming apart	10	our dog and	5	this harness was	3			
		if she	10	1 year old	5	does not seem to	3			
		put this	10	but the size	5	go up a size	3			
		the loop	10	i thought this	5	i bought the smal	3			
		my golden	10	the harness so	5	purchased this ha	3			
		harness as	10	it should be	5	i ended up return	3			
		and that	10	i will keep	5	the xs was too	3			
		not work	10	to take it	5	one of the seams	3			
		leash to	10	is way to	5	in and out of	3			
		month and	10	very disappointed	5	for a harness tha	3			
		chart and	10	i am going	5	i don't think it	3			
		as he	10	ordered the xl	5	my medium sized	3			
		off of	10	looks like a	5	i tried to return	3			
		the part	10	in the neck	5	it fit my dog	3			
		couple of	10	chew through it	5	too large for my	3			
		than that	10	a few months	5	handle on the ba	3			
		and chest	10	which makes it	5	thought it was a	3			
		it my	10	love this harness	5					
		not have	10	quality of the	5					
		dog for	10	a good quality	5					
		golden retriever	10	i really wanted	5					
		return the	10	really wanted to	5					
		unfortunately i	10	like the harness	5					
		i cannot	10	is perfect for	5					
		to see	10	though it is	5					
		fit perfectly	10	should have been	5					
		material is	10	though i measure	5					
		lasted less	10	i went with	5					
		harness did	10	for my medium	5					
		the pulling	10	he is a	5					

		the picture	10	but if you	5					
		bit too	10	large enough for	5					
		harness because	10	my dog to	5					
		before i	10	the chest and	5					
		would work	10	but it didn't	5					
		is about	10	not happy at	5					
		not what	10	for our dog	5					
		close to	10	and it broke	5					
		fit and	10	a great product	5					
		i don’t	10	the chest piece	5					
		the clip	10	for this harness	5					
		two of	10	almost impossibl	5					
		however it	10	the middle of	5					
		larger size	10	it my dog	5					
		adjust it	10	put on my	5					
		out the	10	harness so i	5					
		fit for	10	difficult to get	5					
		pound dog	10	leash and the	5					
		i wouldn't	10	in the front	5					
		was on	10	to be very	5					
		go over	10	have a very	5					
		from this	10	it was just	5					
		that my	10	was just a	5					
		for some	10	she broke the	5					
		leash is	10	around his chest	5					
		when you	10	harness is good	5					
		the best	10	but the harness	5					
		but unfortunately	10	the dog in	5					
		by a	10	a medium i	5					
		- it	10	a week and	5					
		is great	10	a larger dog	5					
		harness my	10	to make the	5					
		on our	10	when i put	5					
		jack russell	10	really liked this	5					
		fit the	10	liked this harness	5					
		and fit	10	because it is	5					
		went with	10	got out of	5					
		size the	10	that my dog	5

		and put	11	the seat at	6	it in my home	3	
		chair again	11	it on the	6	got a better chair	3	
		a full	11	on the top	6	this chair for long	3	
		time in	11	chair to be	6	and got a better	3	
		that holds	11	to fall apart	6	looking for a repl	3	
		it works	11	couple of weeks	6	and the seat is	3	
		at work	11	a good value	6	would have sent	3	
		bought the	11	hard to get	6	have sent it back	3	
		that said	11	the other side	6	arm rests are not	3	
		even a	11	thought this chair	6	won't be able to	3	
		is quite	11	if you put	6	i sit up straight	3	
		padding and	11	on one side	6	sitting at a desk	3	

		of your	11	it when i	6	the seat does not	3	
		made of	11	office chair this	6	you're going to be	3	
		issue with	11	it as a	6	i would recomme	3	
		is completely	11	the seat that	6	using it for a	3	
		back part	11	chair so i	6	not very comforta	3	
		however it	11	a pain to	6	bought this for m	3	
		way i	11	with it is	6	of the seat and	3	
		together it	11	chair i had	6	chair at this price	3	
		the packaging	11	this chair after	6	the back is a	3	
		me but	11	it has been	6	the edge of the	3	
		the design	11	was looking for	6	get used to it	3	
		to look	11	amount of time	6	but i have to	3	
		chair now	11	is easy to	6	is that the chair	3	
		worn out	11	not sure if	6	a nice chair for	3	
		faux leather	11	be a great	6	nice chair for the	3	
		but that	11	the only thing	6	i am not sure	3	
		chair you	11	about this chair	6	not sure how long	3	
		sitting for	11	front of the	6	the seat is comfy	3	
		not going	11	is not adjustable	6	in this price range	3	
		a way	11	after a month	6	i have is that	3	
		the two	11	low enough for	6	have had the cha	3	
		day i	11	came with a	6	issue i have is	3	
		very small	11	is the worst	6	i do like the	3	
		got the	11	it and the	6	quality seems to	3	
		allen wrench	11	you're looking for	6	when i first purch	3	
		but is	11	but it does	6	it two stars becau	3	
		not adjustable	11	and does not	6	after a few days	3	
		the hard	11	chair but the	6	with good back s	3	
		just not	11	is falling apart	6	is very thin and	3	
		from this	11	in the same	6	this chair it is	3	
		i'll be	11	the seat padding	6	chair it is comfort	3	
		can't sit	11	after an hour	6	might be an issue	3	
		screws and	11	good for the	6	is that the arm	3	
		rather than	11	it is now	6	you have to sit	3	
		close to	11	so the chair	6	office chair it is	3	
		the part	11	the price the	6	is extremely unco	3	
		together but	11	the price point	6	i lean back i	3	
		quality and	11	back of my	6	the chair is that	3	
		other reviews	11	is supposed to	6	the chair was ver	3	
		is because	11	very uncomfortab	6	it 2 stars because	3	
		base is	11	if you're looking	6	is not comfortable	3	
		apart and	11	while it lasted	6	it is not comfortal	3	
		daily use	11	arm rests and	6	you pay for it	3	
		work for	10	it for an	6	i was hoping for	3	
		a real	10	in the right	6	after a month of	3	
		it only	10	it does not	6	at a time i	3	
		very nice	10	chair unless you	6	take it apart and	3	
		the manufacturer	10	piece of plastic	6	when i sit on	3	
		than this	10	the sides of	6	have to take it	3	
		but still	10	the whole chair	6	that the lumbar s	3	
		time the	10	was a pain	6	on a hard surface	3	
		the lower	10	for a year	6	you are sitting on	3	
		seat i	10	i was hoping	6	of sitting in it	3	
		we have	10	cushion in the	6	feel like you are	3	
		two months	10	the seat bottom	6	cushion is very th	3	
		chair feels	10	the box i	6	nice but it is	3	
		you might	10	i had this	6	go in all the	3	

		didn't want	10	used this chair	6	in all the way	3	
		back at	10	and i had	6	seat cushion is v	3	
		only one	10	just a few	6	in this chair is	3	
		price range	10	arms on the	6	and the lumbar s	3	
		were not	10	and is not	6	on it for more	3	
		back broke	10	price it is	6	i should have spe	3	
		on me	10	appears to be	6	back and the cha	3	
		the frame	10	out of it	6	the price if you	3	
		leans back	10	of the arms	6	the seat is hard	3	
		far back	10	so it is	6	chair and easy to	3	
		into my	10	as well as	6	chair i use it	3	
		from amazon	10	chair was very	6	let me start off	3	
		lbs and	10	length of time	6	me start off by	3	
		will probably	10	it's a nice	6	start off by saying	3	
		don't like	10	should have beer	6	the back to the	3	
		other chairs	10	i had purchased	6	a great chair i	3	
		is what	10	a week or	6	this chair unless	3	
		of that	10	this price point	6	purchased two of	3	
		high back	10	as much as	6	extended periods	3	
		the entire	10	chair that will	6	for extended peri	3	
		think i	10	about 6 months	6	down in the chair	3	
		is definitely	10	it i am	6	the floor and the	3	
		months ago	10	chair at a	6	and the chair was	3	
		you would	10	it and it	6	to get it to	3	
		position the	10	for my back	6	but it is not	3	
		then it	10	i guess you	6	a couple of years	3	
		about 3	10	get it to	5	months of daily u	3	
		cushion and	10	to rest your	5	for the price how	3	
		right side	10	very small and	5	is a piece of	3	
		it broke	10	the right and	5	it for less than	3	
		reason i	10	is on the	5	great chair for the	3	
		uncomfortable th	10	it appears that	5	the seat is alread	3	
		and don't	10	it leans back	5	in one of the	3	
		every day	10	does not sit	5	be a great chair	3	
		months now	10	back in it	5	screws for the ar	3	
		i spend	10	enough for the	5	it's like sitting on	3	
		more expensive	10	i purchased the	5	a child or very	3	
		arrived with	10	and i feel	5	by cheap i mean	3	
		your butt	10	into the seat	5	leaning to one sic	3	
		the end	10	but i guess	5	to one side and	3	
		me in	10	back but i	5	i can't lean back	3	
		price it	10	the chair comfort	5	a better chair the	3	
		it felt	10	very uncomfortab	5	it put together it	3	
		back chair	10	not that comforta	5	some of the screv	3	
		long time	10	i didn't think	5	for a child or	3	
		bit more	10	about 3 months	5	seems to have br	3	
		hurts my	10	for me i	5	i'm a small guy	3	
		keep the	10	found that the	5	now the chair is	3	
		back up	10	i found that	5	it is not worth	3	
		short and	10	is pretty good	5	is not worth it	3	
		and forth	10	on the ground	5	you pay for chair	3	
		you don't	10	however it is	5	as far as it	3	
		i liked	10	is starting to	5	when you try to	3	
		last a	10	against the chair	5	looks like it was	3	
		my head	10	chair is well	5	the chair is now	3	
		assemble it	10	than a few	5	after just 2 month	3	
		price the	10	too far back	5	just 2 months of	3	

		broke in	10	will be returning	5	would not buy thi	3	
		but as	10	the screws that	5	overall the chair i	3	
		in one	10	i think i	5	purchased this ch	3	
		was so	10	hurts my back	5	makes it a bit	3	
		i know	10	of the base	5	to be using it	3	
		you're sitting	10	little over a	5	for a new one	3	
		wouldn't recomm	10	does not fit	5	to attach the arm	3

		legs and	10	chair looks nice	5	going to be using	3	
		in i	10	i have never	5	than a year of	3

		months later	10	all the parts	5	not line up with	3	
		is about	10	and the armrests	5	attached to the s	3	
		well i	10	nice looking chai	5	send me a new	3	
		chair just	10	chair in a	5	i've owned this ch	3	
		chair very	10	the amount of	5	be fine for you	3	
		and even	10	of my back	5	time in this chair	3	
		hole in	10	is well made	5	spending a lot of	3	
		as if	10	from the back	5	i got it and	3

		the mechanism	10	it is ok	5	not line up and	3	
		should not	10	and decided to	5	the chair i was	3	
		sent me	10	for big and	5	do not line up	3

		chair started	10	comfortable for th	5	holes for the scre	3	
		see if	10	that i could	5	of the holes for	3	
		put a	10	it's very comforta	5	a year and a	3

		just the	10	for my home	5	the chair started	3	
		cushion for	10	hours of sitting	5	now i have to	3	
		back into	10	noticed that the	5	matter how much	3	
		right out	10	lumbar support i	5	will not go in	3	
		it from	10	easy enough to	5	to screw in the	3	
		bad but	10	received the chai	5	i had to go	3	
		this point	10	i got the	5	i have had to	3	
		two stars	10	arms to the	5	and i'm not a	3

		stay away	10	and i only	5	than a year after	3	
		not stay	10	i've only had	5	if you lean back	3	
		stay in	10	2 weeks of	5	it was supposed	3	
		low for	10	you can't lean	5	on the chair i	3	
		i suppose	10	is too small	5	the chair i receive	3	
		more padding	10	i only weigh	5	on the chair is	3	
		is in	10	this chair not	5	for short term sitt	3	
		you feel	10	within a month	5	if you need a	3	
		before i	10	from home and	5	used the chair fo	3	
		and easy	10	in my office	5	i got it the	3	
		for some	10	thought it would	5	buy this chair aga	3	
		unfortunately the	10	a couple months	5	hole in the back	3	
		return the	10	but i thought	5	to say the least	3	
		but its	10	couple of months	5	this chair is it	3	
		in your	10	more than the	5	the chair has alre	3	
		and seat	10	and now it	5	the chair now lea	3	
		a time	10	not the chair	5	in the market for	3	

		is way	10	but for the	5	i should have kno	3	
		front of	10	2 months and	5	the extra money	3	
		for your	10	sit up straight	5	you want a chair	3	
				for a refund	5	it's not going to	3	
				don't waste your	5	chair is made out	3	
				too low and	5	is supposed to be	3	
				together and it	5	buy a new chair	3	
				back is not	5	very comfortable	3	
				at least a	5	first time i have	3	
				away from this	5	the chair would b	3	
				this product and	5	on the seat has	3	
				the price and	5	chair when i first	3	
				and it took	5	is not the best	3	
				chair arrived with	5	about a year and	3	
				the chair arrived	5	that is supposed	3

				happy with this	5	that i had to	3	
				i was very	5	in it and it	3	
				the entire chair	5	to put together th	3	
				about it i	5	is well made and	3	
				and has a	5	for a few weeks	3	
				should not be	5	of the chair that	3	
				it was fine	5	it was very easy	3	
				have had it	5	if you are over	3	
				in the arm	5	had it 6 months	3	
				spend a lot	5	the chair and i'm	3	
				way too low	5	i have to sit	3	
				want to spend	5	but i would say	3	
				have been using	5	a chair that will	3	
				it does have	5	chair that will last	3	
				small and not	5	last as long as	3	
				the fake leather	5	allows the chair t	3	
				is a very	5	was looking for a	3	
				it can be	5	frame of the chai	3	
				be a good	5	so i have to	3	
				me and my	5	chair is extremely	3	
				you try to	5	the fact that the	3	
				chair is good	5	at all the seat	3

				chair with the	5	loose no matter h	3	
				a whole lot	5	the armrests are	3	
				about a week	5	not hard to asser	3	
				3 stars because	5	the chair i have	3

				the arms on	5	a few months an	3	
				it took a	5	in the middle of	3	
				to lean forward	5	is already starting	3	
				was going to	5	the seat is really	3	
				felt like it	5	i had to buy	3	
				chair to replace	5	it's a nice chair	3	
				like you're sitting	5	this chair is the	3	
				is why i	5	it would be nice	3	
				which is why	5	on top of the	3	
				except for the	5	you pay for but	3	
				at your desk	5	this chair becaus	3	
				but it's a	5	issue with this ch	3	
				the armrests and	5	to find a chair	3

				get used to	5	the front half of	3	
				on sale for	5	front half of the	3	
				if you plan	5	half of the seat	3	
				i have tried	5	is very comfortab	3	
				out of this	5	very difficult to pu	3	
				top of that	5	in the box to	3	
				i wouldn't recomr	5	it the chair is	3	
				recommend this f	5	a month it was	3	
				this to anyone	5	soon as you sit	3	
				back support the	5	if you put any	3	
				not designed for	5	when i sit down	3	
				it in my	5	purchase this cha	3

				is in the	5	but as soon as	3	
				the worst chair	5	back if you want	3	
				the exact same	5	i gave it 2	3

				any length of	5	back in the box	3	
				it is extremely	5	for someone who	3	
				i bought two	5	it back in the	3	
				i would recomme	5	you have to lean	3

				i thought this	5	got this chair bec	3

				it did not	5			
				for tall people	5

				it will not	5

				to send me	5			
				the screws for	5			
				screws for the	5			
				i even tried	5			
				if you need	5

				for the screws	5			
				have to replace	5

				put together the	5			
				and had to	5			
				the chair from	5			
				is no longer	5			
				i am very	5			
				chair a few	5			
				that the back	5			
				after a while	5			
				back does not	5			
				have to go	5			
				one of those	5			
				this one will	5

adjustable	22	and off	20	but if you	9	we have had this	4	
making	22	for this	20	goes between the	8	it would have bee	4	
yet	22	it very	20	that it was	8	and easy to asse	4

head	21	holes are	19	will be returning	8	slide on and off	4	
doesn’t	21	and was	19	tray and the	8	to move the chai	4	
light	21	are very	19	in my opinion	8	you need two ha	4	
gift	21	very easy	19	which is a	8	the wheels on thi	4	
barely	21	she is	19	hard to clean	8	my biggest comp	4	
concept	21	very well	19	chair itself is	8	not a fan of	4	
folded	20	and he	18	as far as	8	not sturdy at all	4	
removed	20	my husband	18	i think this	8	extra money and	4

arrived	20	under the	18	to take it	8	high chair is grea	4	
excited	20	other than	18	to take the	8	to get the tray	4	
feels	20	too much	18	my baby is	8	in the chair and	4

screw	20	clean it	18	takes up a	8	too big for it	4	
look	20	when the	18	up a lot	8	but if you have	4

replacement	19	is just	18	for my son	8	fisher price space	4	
wipe	19	worth the	18	hard to get	8	it is a little	4	
cleaning	19	as well	18	to put the	8	the fabric on the	4	
convenient	19	top of	18	on this chair	8	not worth the pric	4	
eat	19	a better	18	cheaply made an	8	i purchased this h	4	
foot	19	it folds	18	down in the	8	purchased this hi	4	
else	19	one i	18	two hands to	8	with the high cha	4

inside	17	not sure	17	chair it was	7	son in the chair	3	
guess	17	buy this	16	its easy to	7	on the tray and	3	
fairly	17	too big	16	it is too	7	the chair can be	3	
features	17	back to	16	is that it	7	about this high ch	3

designed	17	when my	16	that goes betwee	7	a different high ch	3	
break	17	a booster	16	to assemble the	7	it folds up for	3

poorly	15	and there	15	to the base	7	way to remove th	3	
coming	15	my grandson	15	of the wheels	7	put the tray on	3	
huge	15	and that	15	that the chair	7	i thought i would	3	
belts	15	a big	15	easy to fold	7	the fact that the	3	
strapped	15	i feel	15	if i could	7	for the price but	3	
older	15	very cheaply	15	needs to be	7	the chair with the	3	
washing	15	a couple	15	i was really	7	i bought this beca	3	
decent	15	is ok	15	put it together	7	in the butt to	3	
leans	15	the fact	15	when trying to	7	it and it was	3	
horrible	15	not like	15	in it i	7	had to take the	3	
unfortunately	15	was so	15	chair with a	7	for the high chair	3	
review	15	does the	15	high chair becaus	7	not easy to clean	3

		i gave	11	a chance to	5	i don't like them	3	
		keep them	11	this set is	5	pillow cases are a	3	
		all i	11	can see through	5	there were a few	3	
		quality the	11	i bought them	5	the label on the	3	
		sheets because	11	so if you	5	but it is not	3	
		out i	11	less than a	5	the elastic of the	3	
		smooth and	11	and i am	5	elastic of the fitte	3	
		sheet to	11	and i don't	5	set of sheets i	3	
		sheets these	11	a little disappoint	5	the sheets on my	3	
		tried to	11	off of the	5	of you get what	3	
		to them	11	of the flat	5	the bed the shee	3	
		thin material	11	for the sheets	5	bed the sheets ar	3	
		made the	11	put it on	5	for the price the	3	
		bed sheets	11	i'm used to	5	i was trying to	3	
		was so	11	to make the	5	to sleep on them	3	
		washing them	11	a refund i	5	not waste your m	3	
		there are	11	sheets so i	5	the top flat sheet	3	
		the light	11	when i washed	5	have to put it	3	
		on and	11	fit my bed	5	and they are not	3	
		they also	11	after one wash	5	of the dryer i	3	
		the white	11	but i thought	5	the first wash and	3	
		wish i	11	are going to	5	the hem on the	3	
		set the	11	bed and the	5	reviews these sh	3	
		will last	11	not 1800 thread	5	no way these are	3	
		again i	11	of my mattress	5	for cotton sheets	3	
		mattress is	11	i have never	5	my husband and	3	
		quality is	11	high thread count	5	when i received t	3	
		the seams	11	i was excited	5	will be returning t	3	
		thought i	11	like the color	5	the foot of the	3	
		are way	10	and pillow cases	5	foot of the bed	3	
		look like	10	more like a	5	as well as the	3	
		send them	10	thread count and	5	and there is no	3	
		on our	10	after a few	5	enough to tuck in	3	
		soft the	10	for cotton sheets	5	in on the sides	3	
		sheets is	10	i paid for	5	the feel of a	3	
		and there	10	i got a	5	soft and comforta	3	
		is no	10	which is why	5	at all like the	3	
		on it	10	thin and not	5	i thought they we	3	

		sheets i've	10	fabric is very	5	it was a great	3	
		and have	10	two stars becaus	5	the pillow cases	3	
		am very	10	supposed to be	5	bought a set of	3	
		i tried	10	these for a	5	count egyptian c	3	
		i only	10	a great deal	5	the price they are	3	
		is also	10	extra pillow cases	5	not at all like	3	
		i went	10	the king size	5	long enough to tu	3	
		the side	10	these sheets aga	5	with this sheet se	3	
		excited to	10	they were very	5	i wonder if they	3	
		to send	10	the first washing	5	not worth the mo	3	
		color i	10	the package but	5	the sides of the	3	
		not at	10	the sheets to	5	the first thing i	3	
		them again	10	and for the	5	up to the light	3	
		to it	10	over the mattress	5	are soft to the	3	
		time and	10	wash them and	5	hard to put on	3	
		so it	10	sheets for a	5	i was so excited	3	
		be returning	10	after a couple	5	was so excited to	3	
		after one	10	make the bed	5	excited to get the	3	
		money and	10	next time i	5	quality of these s	3	
		and when	10	and there is	5	the quality of thes	3	
		how they	10	but i would	5	sheets are 100%	3	
		to go	10	do not have	5	soft at all they	3	
		where the	10	they are already	5	they are not soft	3	
		to do	10	i had a	5	the 1500 thread	3	
		so if	10	sheets they feel	5			
		color but	10	i will keep	5			
		was hoping	10	and they just	5			
		set but	10	just washed them	5			
		used to	10	of sheets i	5			
		mattress but	10	i opened the	5			
		washing the	10	my king size	5			
		cotton but	10	have returned the	5			
		not be	10	price they are	5			
		waste your	10	i don't have	5			
		make the	10	are also very	5			
		thing i	10	have the same	5			
		the middle	10	and soft but	5			
		very disappointin	10	to be very	5			
		a chance	10	it is very	5			
		i know	10	up to 16"	5

		had them	10	try them out	5			
		but a	10	sheets because t	5			
		went to	10	pillow cases were	5			
		if you're	10	would have given	5			
		well i	10	ordered a set	5			
		will probably	10	sheets i was	5			
		maybe i	10	the same as	5			
		it doesn't	10	i got them	5			
		enough for	10	not stay tucked	5			
		and my	10	a problem with	5			
		say that	10	slept on them	5			
		sheet on	10	on them for	5			
		corner of	10	the same the	5			
		no longer	10	to return it	5
